Reminder: Various payment options offered for motor vehicle registration renewals

LĪHU'E – In anticipation of long wait times at the Division of Motor Vehicles on Sept. 3 due to the long holiday weekend, County of Kaua'i officials are reminding the public of various payment options for motor vehicle registration renewals.

“Rather than waiting for your number to be called at the DMV, there are various options for our customers to renew their motor vehicle registrations,” said Mayor Derek S. K. Kawakami. “Two options that are quick, easy to use, and convenient are the self-service kiosks available 24 hours daily at Līhu'e and Kapa'a Safeway.”

These self-service kiosks allow customers to pay for their motor vehicle registrations via a touchscreen by entering their license plate number or scanning the bar code of their motor vehicle renewal form. Customers may only use debit or credit cards for transactions, and will incur a \$3 service fee as well as a 2.5 percent debit and credit card fee. Once a transaction is made, the kiosk will print out the vehicle registration and license plate tabs.

Other options include:

- mailing your payment;
- paying online at <https://mvr.ehawaii.gov/renewals/kauai>; or
- dropping off your payment in the box located outside of the Kapule Building at the Līhu'e Civic Center.
