Roadwork to continue in 'Ele'ele and Hanapēpē through Sept. 27

The Department of Public Works is announcing that GP Maintenance Solutions will continue roadwork in 'Ele'ele and Hanapēpē on weekdays, through Sept. 27.

The scope of the work includes seal coating, grass cutting, and weed control of street and grassy shoulders.

The following areas will be affected:

- Portions of the 'Ele'ele Subdivision through Sept. 18, from 7:30 a.m. to 5 p.m.;
- Puolo Road and Hanapēpē Access Road, near the Hanapēpē Stadium, on Sept. 9 to 11, from 7:30 a.m. to 6 p.m.; and
- Portions of the 'Ele'ele Subdivision on Sept. 12 to 27, from 7:30 a.m. to 6 p.m.

Please see maps below for specific locations.

There will be no access for vehicles on these streets or grassy shoulders, entering or exiting.

Work may be extended pending weather conditions.

The work zone will be coned off to prevent anyone from driving or stepping on wet materials. Please be on the lookout for "No Parking" barricades and signs. This will be an indication that work is in the area.

Please make the appropriate arrangements to accommodate the necessary road work. Vehicle parking on the streets within the work zones will not be allowed. Any vehicle left on the

street or grassy road shoulders within the work zones after 7:30 a.m. will be towed at the owner's expense.

For questions regarding this project, please call GP Maintenance Solutions at 808-864-0323.
