Connection of Ala Kalanikaumaka, Lopaka Paipa Boulevard to proceed

KŌLOA – A blessing was held last week to mark the start of construction that would expand Lopaka Paipa Boulevard, and connect the private roadway to Ala Kalanikaumaka in Kōloa.

The blessing was attended by County of Kaua'i officials, representatives from The Club at Kukui'ula, Kukui'ula Development Company, and contractor Cushnie Construction Company.

Lopaka Paipa Boulevard is the primary street that serves the Kōloa Estates Subdivision and provides a connection into Po'ipū Road. Kōloa Estates Subdivision was approved by the Planning Commission on April 22, 1999. A condition of the subdivision required a connection of a major street between Po'ipū Road (Lopaka Paipa Boulevard) and a future western bypass road (today known as Ala Kalanikaumaka).

Lopaka Paipa Boulevard serves as a key component in the traffic masterplan encompassing the Kōloa-Po'ipū region. The extension and completion of the roadway is necessary since construction of housing units within the subdivision as well as the surrounding areas have been completed.
