Mayor Kawakami invites the public to support the Global Climate Strike

LĪHU'E – In support of the Global Climate Strike movement, Mayor Derek S. K. Kawakami will be welcoming students from the Kaua'i Community College and other stakeholders to the Līhu'e Civic Center Rotunda on Friday, Sept. 20, at 3:30 p.m.

The public is invited to attend the gathering where a Climate Action Pledge will be presented on behalf of Mayor Kawakami, members of the Kaua'i County Council, and the County of Kaua'i.

"Climate change is a serious issue and we see the effects on our island and throughout the world," said Mayor Kawakami. "While we are doing our best to seek solutions to these ongoing challenges, we encourage our entire community to take part in these initiatives that will strengthen our island's resiliency and build a better future for us all."
