#### **Kaumuali'i Highway closed following major traffic crash**

KĪPŪ – Kaumuali'i Highway in Kīpū, just west of Halfway Bridge, remains closed in both directions due to a major two-car traffic collision that occurred shortly after 5 a.m. Saturday.

The highway will be closed for an extended period of time while traffic investigators are on scene conducting a full investigation.

According to a preliminary investigation, a Ford F150 pickup was heading west on Kaumuali'i Highway when it apparently crossed the centerline and struck an oncoming Ford F350 flatbed truck.

Kaumuali'i Highway has been closed since approximately 6 a.m. There are no alternative routes and motorists are asked to avoid the area.

Further details on the crash and updates on the road closure will be given as new information becomes available.
