County hosts Drug Take Back Day on Oct. 26

LĪHU'E – The Kaua'i Police Department (KPD) is collecting unused, unwanted, or expired prescription medications and other drugs on Saturday, Oct. 26, from 10 a.m. to 2 p.m. at KPD headquarters, located at 3990 Ka'ana Street, in Līhu'e.

Tablets, capsules, liquids, and other forms of medication – prescription or nonprescription – including patches, will be accepted. New or used needles and syringes will not be accepted.

This service is free and anonymous, and no questions will be asked.

Drug Take Back Day is part of a national initiative coordinated by the U.S. Drug Enforcement Agency (DEA) which focuses on providing a safe, convenient, and responsible method of disposing medications, while also educating the community about the potential for abuse and consequences of improper storage and disposal.

Anyone who is not able to participate in this Drug Take Back Day can visit KPD headquarters at any time and anonymously drop off any unused or expired medication via the permanently installed medication drop box.

For more information on the National Drug Take Back Initiative, please visit the DEA's website at www.dea.gov, or contact KPD Investigative Services Bureau Assistant Chief Bryson Ponce at 241-1681.

If you need an auxiliary aid/service or other accommodation due to a disability, call 241-1681 as soon as possible. Requests made as early as possible will allow adequate time to fulfill your request. Upon request, this notice is available in alternate formats such as large print, Braille, or electronic copy.
