**Portion of northbound lane of Kūhiō Highway in vicinity of Leho Drive closed until further notice to repair damaged sewer line**

WAILUA – The public is advised that a portion of the outer northbound lane of Kūhiō Highway – at the north-junction of Leho Drive near the Hilton Garden Inn – will be closed until further notice as crews work to repair a damaged sewer line.

Motorists should expect severe traffic delays and adjust their travel times as needed.

Hawai'i Department of Transportation contra-flow on Kūhiō Highway will end at the normal time in order to facilitate northbound traffic for today's afternoon commuters.

The Wastewater Management Division is currently working on addressing the blockage that occurred Thursday evening. Contractors anticipate work to continue through at least Saturday evening.

Officials are asking the public to avoid this area if possible. Updates will be given as new information is available.

Anyone with questions can contact Donn Kakuda with the Department of Public Works at 241-4084 or via email at [Dkakuda@kauai.gov](mailto:Dkakuda@kauai.gov).
