Self-service motor vehicle registration kiosks unavailable until further notice

LĪHU'E – The self-service motor vehicle registration kiosks in Līhu'e and Kapa'a are unavailable until further notice due to technical issues with a computer mainframe.

Intellectual Technology Inc., the state's kiosk vendor, informed officials on Monday that kiosks statewide experienced issues and disruptions throughout the day.

Updates will be given when the issue is resolved.

Other payment options include:

- Visiting the Motor Vehicle Registration office;
- mailing your payment;
- paying online at <https://mvr.ehawaii.gov/renewals/kauai>; or
- dropping off your payment in the box located outside of the Kapule Building at the Līhu'e Civic Center.
