National Weather Service issues High Wind Warning starting at 6 p.m. tonight

The National Weather Service has issued a High Wind Warning for Kaua'i and Ni'ihau effective 6 p.m. Friday through 6 p.m. Saturday.

A High Wind Warning means that winds are expected to be at least 40 MPH with gusts over 60 MPH which could lead to property damage.

Residents are advised to secure loose objects outdoors and avoid outdoor activity with exposure to high winds.

The public is also advised to be prepared for power outages as strong winds could result in fallen trees and downed power lines. Storm preparedness tips from the Kaua'i Island Utility Cooperative can be found on its website: www.kiuc.coop under the "community" tab.

For general emergency preparedness tips, please visit the Kaua'i Emergency Management Agency website at www.kauai.gov/KEMA.

For updates on road conditions and closures, please call 241-1725. Please do not call Kaua'i police 911 unless you have an emergency.

For weather updates call the National Weather Service automated weather line at 245-6001, or visit the NWS website, www.weather.gov/hfo.
