News Release

For Immediate Release: February 11, 2019

Water service shutdown reminder for customers on Ka'apuni Road and Alapaki Road in Kapa'a on February 12

KAPA'A – The Department of Water (DOW) would like to remind customers located on Ka'apuni Road and Alapaki Road in Kapa'a, of a scheduled water service shutdown on Tuesday, February 12th from 9 a.m. to 3 p.m., weather permitting.

The water service shutdown is necessary in order to allow contractor, Earthworks Pacific Inc. to install a new service tie-in to the existing water line.

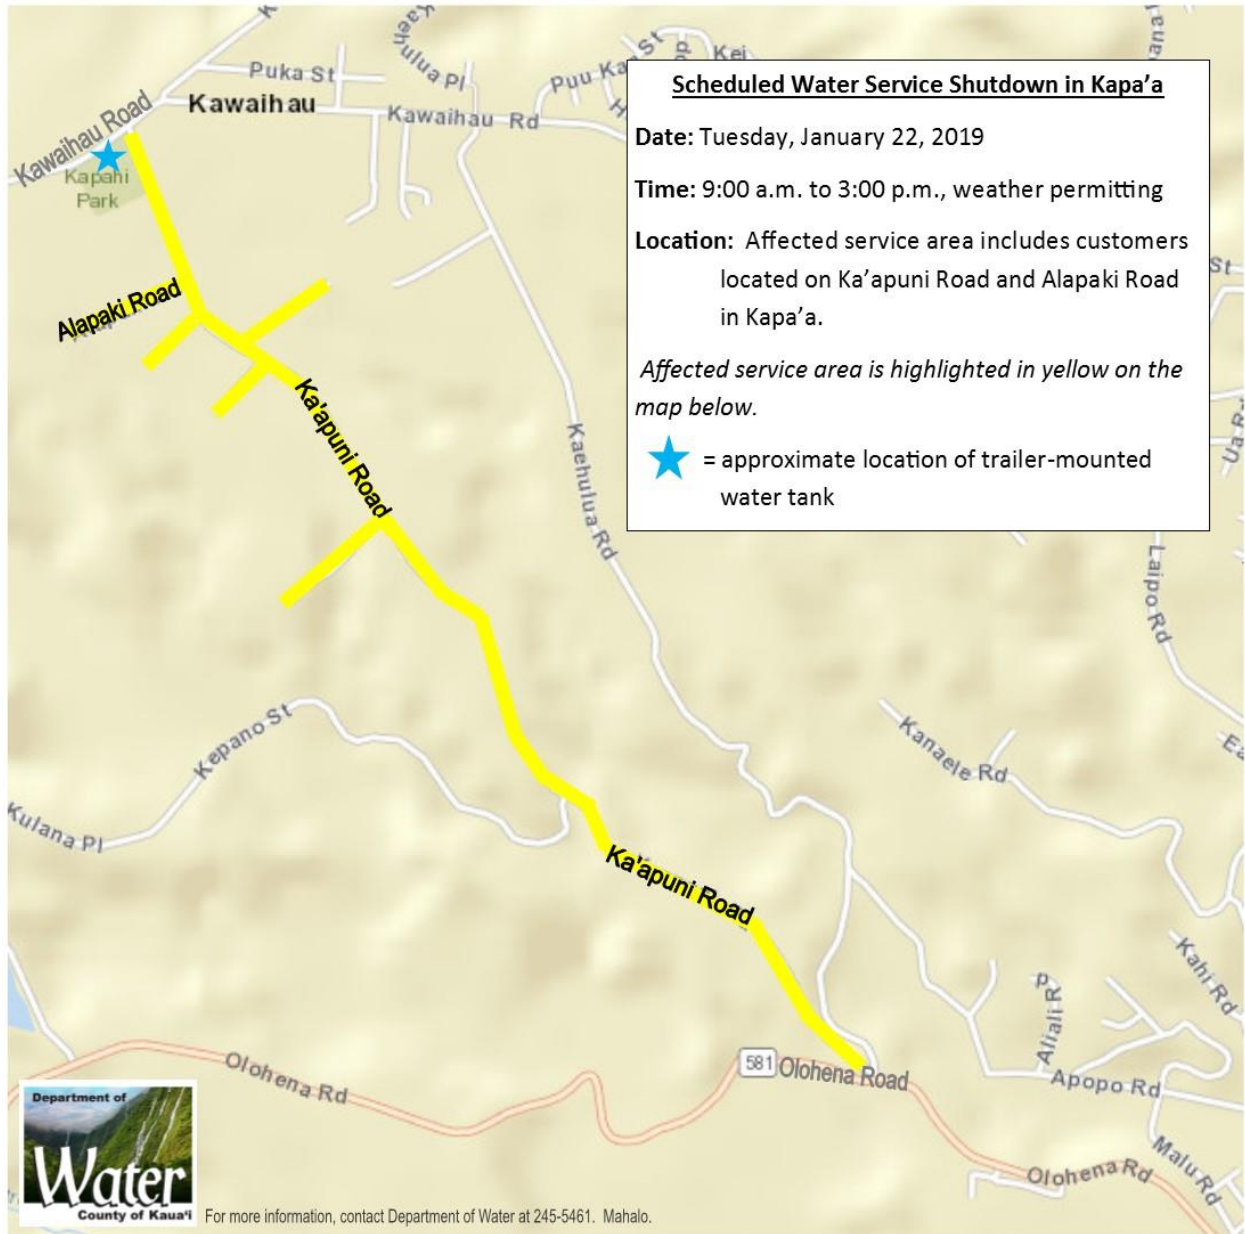

A trailer-mounted water tank containing potable water will be available at the Kapahi Park; located near the intersection of Ka'apuni Road and Kawaihau Road in Kapa'a. Customers are asked to bring their own water containers.

Customers located on Ka'apuni Road and Alapaki Road are advised to take the following steps:

- Store enough water to meet your needs during the shutdown.
- Notify family, friends and neighbors that may be affected by the shutdown.
- Those with faulty water heaters should ensure that water heaters do not empty during the shutdown.
- To monitor updates online, visit www.facebook.com/KauaiDOW.

For more information please call the Department of Water at 245-5455.

-continued-

Water service shutdown scheduled for customers located on Ka'apuni Road and Alapaki Road in Kapa'a on Tuesday, February 12, 2019. Affected area is highlighted in yellow on the map above. A trailer-mounted water tank containing potable water will be available during the scheduled water service outage and will be located at Kapahi Park, near the intersection of Ka'apuni Road and Kawaihau Road in Kapa'a.
