Various topics will be covered in each weekly session.

To sign up for these free sessions, please register online starting Monday, March 22, at www.kauai.gov/housing.

If you need an auxiliary aid/service or other accommodation due to a disability, you may request this when you register. Requests made as early as possible will allow adequate time to fulfill your request. Upon request, this notice is available in alternate formats such as large print, Braille, or electronic copy. If you have any questions, please contact Jocelyn Marie at 241-1977.
