Catherine Adams	January 1, 2016	1 <sup>st</sup>	December 31, 2018

The Police Commission consists of seven members who are appointed by the Mayor and confirmed by the County Council. The Commission adopts rules as it may consider for the conduct of its business and regulations of matters relating to the goals and aims of the department. (Article XI 11.03.A)

Appointments are for a three year term with a maximum of two terms.

The Police Commission receives, considers and investigates charges brought by the public against the conduct of the department or any of its members. The Commission is also responsible for reviewing the annual budget. (Article XI 11.03.B/C)

The Police Commission received forty-one (41) notarized complaints during the fiscal year. There were twenty-five (25) that were found insufficient, and six (6) were found sufficient; five (5) complaints were found not within Commissions jurisdiction; one (1) complaint exceeded the timeframe for filing a complaint; and four (4) complaints are still pending.

The Police Commission held twelve (12) Regular Sessions, twelve (12) Executive Sessions and one (1) Special Executive Session Meetings during FY 2014.

#### **Office of the Chief of Police**

The Chief of Police is responsible for the preservation of the public peace, protection of the rights of persons and property, prevention of crime, detection and arrest of offenders, and enforcement of all laws of the State and County ordinances and all rules and regulations made pursuant thereto.

The Chief of Police is responsible to equip, train, maintain and supervise a force of police officers and civilian staff. The Chief is also responsible for the serving of processes and notices both in criminal and civil proceedings.

The Chief of Police plans, organizes staffs, directs and controls the personnel and resources of the department, and administers the department in a manner consistent with the Charter of the County of Kauai and the laws of the State of Hawaii.

The Chief of Police shall make such reports from time to time as the Police Commission shall require, and shall annually make a report to the Commission of the state of affairs and condition of the department.

The Office of the Chief of Police provides overall direction and supervision to all of the sub-units and personnel of the department. It establishes departmental goals and priorities and monitors the progress of bureaus in attaining these goals. It also directs and supervises the information gathering and enforcement efforts of the Criminal Intelligence Unit (C.I.U.). The Criminal Intelligence Unit also includes an Internal Affairs Unit which investigates complaints against police officers.

### **Patrol Services Bureau (PSB)**

The Patrol Services Bureau is responsible for the preservation of the public peace, prevention of crimes, and pursuit of offenders, enforcement of State laws and County ordinances, and protection of rights.

### **Investigative Services Bureau (ISB)**

The Investigative Services Bureau is comprised of three (3) sections: The General Crimes Section, the Special Focus Section, and the Vice Section.

The General Crimes Section conducts complex and detailed investigations of criminal cases and certain non-criminal cases, which may be associated with death reports and other unique situations which require further examination. Investigations primarily focus on felony offenses, but may include more complicated misdemeanor offenses.

The Special Focus Section includes investigations into white-collar/financial crimes, computer crimes, domestic violence cases, missing person's cases, and the School Resource Officers (SRO) program **and the KPAL Program.**

The SRO's are assigned to the 3 high schools (Kapaa High, Kauai High and Waimea High). The SRO participates in school-related programs such as DARE (Drug Abuse Resistance Education) and Keeping it Real, which is an Evidence Based Drug/Crime Prevention Education Program. Instructions are provided to 7<sup>th</sup> graders at all three middle schools and to 5<sup>th</sup> graders in all elementary schools across the island; offering counseling and mediation services within the respective school and investigate school-related incidents.

The SRO conducts investigations into school related incidents, assist with emergency planning and participate with drills and exercises related to student and faculty safety and security. The SRO program also administers the K-PAL program, which plan, coordinate and direct after-school and weekend activities for youth ranging in grades Kindergarten thru 12<sup>th</sup> grade.

The Vice Section conducts complex investigations into drug/narcotic offenses on local, state and federal levels.

### **Administrative and Technical Bureau (ATB)**

The Administrative and Technical Bureau provides support services to other police elements within the department, as part of a concerted effort to assist them in attaining their goals and objectives. Equally significant are bureau services that are provided directly to the public, especially via the Records and Community Relations sections.

Operational facets include overseeing the department's 36 million dollar budget, maintaining payroll, and keeping pace with personnel, human relations, and workplace environment issues. The Training section coordinates all official department training, including the police academy for newly hired recruits.

Recruitment and retention of personnel, especially sworn police officers, remains a high priority for the department, with the Training, Research & Development, and Personnel Sections taking lead roles in addressing this critical area.

### **Office of Professional Standards (OPS)**

The Office of Professional Standards, formerly known as Internal Affairs, works directly under the Office of the Chief of Police. The primary responsibility is the investigation of Citizen complaints brought to the attention of the department.

## **A. OBJECTIVES**

### **Program Objectives – Overall Kaua'i Police Department:**

To enhance and institutionalize the philosophy of Community Policing and the creation of a positive and pro-active partnership between police officers and our citizens; to be responsive to the needs of our community.

To increase positive interactions and programs with and for the youth of our community to reduce the probability of youth crimes.

To develop and promote an internal work environment based on mutual respect, dignity, and trust; to ensure that all employees are treated fairly and equitably.

To provide efficient and aggressive law enforcement so as to prevent criminal behavior, and to apprehend those responsible for criminal acts.

To aggressively pursue and obtain the resources, training, and equipment needed by our employees to maximize their efficiency and effectiveness.

The Kauai Police Department supports the belief that there is a direct correlation between an increase in drug arrests and seizures, and subsequent decrease in the number of overall crimes. To this extent we remain committed to ensuring that all possible efforts will be taken to reduce drug related elements within the Community.

The amount of new hires, especially police officers, continues to be a reflection of the positive strides being made in this area. However, keeping pace with retirement and other attrition factors have been and will remain a challenge in FY 2017.

**Program Objectives - Patrol Services Bureau (PSB):**

Increase emphasis on driver education and awareness, voluntary compliance with traffic ordinances and statutes, injury prevention and enforcement of hazardous moving violations (traffic safety).

Continue training and awareness for patrol personnel, including Incident Command System, man-made and natural disaster hazard mitigation.

To procure communication and other support equipment via the Homeland Security Grant(s) for continuity of operations during emergency events, whether natural or manmade.

Continue to promote positive interaction between the public and police officers, with the goal of addressing and mitigating public safety issues and concerns. This includes participation and attendance at community/neighborhood meetings; volunteering at special events/non-profit fundraisers; appearing at schools; and participating in youth programs.

**Program Objectives - Investigative Services Bureau (ISB):**

Bureau investigators are responsible for the preparation of Arrest and Search Warrants, apprehending perpetrators, gathering and preserving evidence, conduct interviews and prepare their respective cases for prosecution.

The Bureau conducts community outreach by conducting informational presentations, which is supported by the personnel of the various disciplines. This includes, but is not limited to, drug and gang awareness resistance education, theft and burglary prevention to minimize victimization.

A standby-detective program is in place to ensure an immediate response for after-hour investigations involving major felony offenses and incidents of specific interest. A detective is on standby status during non-business hours and is available to respond as needed, depending on the severity or complexity of the incident.

The bureau also invests in youth development program such as the K-PAL program. This program, which is active year-round throughout the island, is used as a tool to bring juveniles into safe and supervised activities as well as a common gathering place. The athletic/recreational activities provide valuable lessons in teamwork, self-esteem, discipline, sportsmanship and the merits of hard-work. In turn, this provides venues where K-PAL can provide Evidence Based Crime/Drug-prevention education more effectively.

The vice section seeks to increase the number of drug investigations conducted, leading to search warrants being executed and to affect the arrest of individuals involved in the use, sale and distribution of narcotics, to include marijuana, cocaine, crystal methamphetamine and other illicit drugs.

### **Program Objectives - Administrative and Technical Bureau (ATB):**

Enhance the relationship between the community and police department through community policing projects and programs.

Effectively maintain and manage the following; police records, information systems, fingerprinting and photographic services, evidence storage, service of warrants and legal documents, issuance of permits and registration of firearms.

Assist in the development of efficient and professional police personnel by developing and coordinating training programs including; recruit training, in service training, emergency vehicle operations, self- defense, firearms, forensics, sexual harassment and supervisory training.

Research, develop, and circulate department directives, and update existing General Orders.

Continue assessing computer needs for the department to enhance operational efficiency, including the Computer Aided Dispatch (CAD) and Records Management System (RMS) systems.

Continue to seek potential funding for the department via Federal and State Grants.

Recruit, screen, and hire suitable and qualified personnel to fill vacancies within the department.

## **B. HIGHLIGHTS**

### **Program Highlights – Overall Kauai Police Department:**

KPD has had many successes this past fiscal year. One of KPD's most important achievement was the hiring and training of eleven new police officers who are presently assigned to the Patrol Services Bureau. With the infusion of the new officers into the patrol schedule, overtime expenditures have been reduced in the area of cancelled days off to cover basic services.

Another success and achievement this past fiscal year was the production and airing of a Police Recruitment commercial which aired statewide on Oceanic Time Warner Cable. As a result of the commercial, as well as other recruitment advertisements, there was a noticeable increase in police applicants.

Accreditation continues to be a major goal through changes in policies and procedures, training, and internal accountability. KPD is expected to be fully accredited by CALEA FY 2017.

### **Program Highlights – Patrol Services Bureau (PSB):**

**Enforcement:** The overall number of citations issued by the Patrol Services Bureau increased by approximately 12% from the previous year. There was no significant change in Operating a Vehicle Under the Influence of Intoxicants (OVUII) arrests. Speeding citations issued decreased 19% from the previous year while the total number of Seat Belt citations also decreased by approximately 14%.

Traffic Safety Section personnel directed traffic or closed roads for 23 events which included Hospice Concert in the Sky, Kōloa Plantation Days Parade and the Kaua'i Marathon. The Traffic Safety Section officers are certified Child Passenger Safety Technicians. They participated with Child Car Seat events around the island, teaching parents or caregivers with the proper installation of child car seat restraints.

Community Meetings/Presentations/Apearances: Personnel from the Patrol Services Bureau attended and/or conducted numerous presentations for community organizations, school and business related events. As in previous years, there was an effort by line officers and supervisors to attend meetings and functions including the Mayor's community meetings.

Officers taught students at various schools about seatbelt use, bicycle safety, Halloween safety and personal safety awareness. They also participated in various projects, parades, and numerous community and non-profit fundraisers. PSB personnel also participated in youth sports programs as coaches, referees, and parent volunteers.

### **FISCAL YEAR 2016 SEARCH WARRANTS**

In fiscal year 2016, ISB Detectives initiated and executed **38** search warrants on houses, vehicles, persons, bags/backpacks, cell phones, and social media accounts from all 10 Districts on Kauai. Numerous items related to evidence of a homicide, attempted homicide, sex assaults, robberies, burglaries, thefts, and numerous other violent and white collar type crimes were recovered and or seized leading to numerous arrests/convictions as well as some cases still pending trial.

### **SPECIAL PROJECTS**

Waimea and Koloa Districts – In 2015, Kauai experienced a rash of unexplained and suspicious fires that were occurring around the entire island. In response, detectives conducted Operation Burning Bush II, a collaborative undercover surveillance project utilizing members of the Kauai Police Department and the Kauai Fire Department. Although no arrests were made, a possible suspect and suspect vehicles were identified and intelligence gathered on him and his associates. After execution of Operation Burning Bush II, the rash of fires considerably decreased.

In January 2016, a meeting was conducted with Janelle Oishi of the Hawaii State Coalition Against Domestic Violence and an agreement was made to start the Lethality Assessment Program (LAP) here on Kauai in June 2016. The LAP aims at Intimate Partner Violence and the lethality associated with those type of relationships.

### **MAJOR CASES**

In September 2015, ISB Detectives concluded an investigation into an Electronic Enticement of a Child case. During the course of the investigation, Detectives identified numerous witnesses, multiple victims and executed three (3) search warrants that led to the arrest of an adult male suspect. The 23 year old suspect was arrested and charged on four (4) counts of Sexual Assault

in the 1<sup>st</sup> degree (Class A Felony), two (2) counts of Electronic Enticement of a Child in the 1<sup>st</sup> degree (Class B Felony) and two (2) counts of Sexual Assault in the 3<sup>rd</sup> degree (Class C felony) and the case was forwarded to the Office of the Prosecuting Attorney.

On September 19, 2015, detectives responded to a reported armed robbery of a pharmacy in Kapaa. Investigation revealed that a masked suspect, wielding a pistol, entered the pharmacy and demanded prescription medications. The suspect got away with numerous prescription pills and fled the scene in an unknown direction. Continued investigation by detectives revealed a suspect and the 42 year old male suspect was arrested for Robbery 1<sup>st</sup> and was held in lieu of \$500,000 bail. The case was turned over to the Federal authorities, where the 42 year old male suspect was convicted on federal robbery charges and faces up to 10 years in prison.

On September 26, 2015, detectives responded to a reported murder in the Lihue area. Initial investigation revealed that a 38 year old male subject was found dead in a parking lot. The victim had been stabbed multiple times with a knife. Continued investigation revealed the identity of the suspect and the 37 year old adult male suspect was arrested for Murder 2<sup>nd</sup> and Assault 2<sup>nd</sup> and was held in lieu of \$1,005,000 bail. He was later convicted for Manslaughter and Assault 2<sup>nd</sup> and sentenced to 20 years in prison.

In the summer of 2015, detectives investigated a Manslaughter case that had occurred in the Lihue area. Investigation identified a 35 year old male suspect who was subsequently arrested and charged for Manslaughter and later released pending investigation. In February 2016, the 35 year old male suspect was indicted for Murder 2<sup>nd</sup> and OVUII relating to the aforementioned offense. The suspect was located and arrested by detectives for a Grand Jury warrant and is currently being held at KCCC in lieu of \$500,000 bail.

In April 2016, detectives responded to a reported Sex Assault case in the Lihue area. Investigation revealed that an adult male suspect had lured the juvenile victim into his residence and sexually assaulted her. Continued investigation identified a 49 year old male suspect who did voluntary work at the Boys and Girls Club in Lihue and that he had attempted to sexually assault another juvenile female subject who also attended the Boys and Girls Club. A search warrant was executed on the suspect's residence and he was arrested and indicted on two (2) counts of Sexual Assault 1<sup>st</sup> and two (2) counts of Attempted Sexual Assault 3<sup>rd</sup> and is currently being held at KCCC in lieu of \$1,000,000 bail.

### **COMMUNITY ORIENTED POLICING**

On March 9, 2016, General Crimes Lieutenant and a Crime Scene Specialist conducted a presentation to the Kauai County Council regarding the purchase of the ParaDNA Presumptive DNA Test module. During this presentation, Lieutenant Cummings and Crime Scene Specialist Regan informed the County Council of the benefits of acquiring the system by allowing detectives another tool to assist in criminal investigations. DNA processing, even at the

presumptive level, can help identify an unknown suspect or verify a known suspect, which could lead to an arrest and/or conviction.

On March 19, 2016, ISB Captain Bryson Ponce, Lieutenant Kenneth Cummings, Lieutenant Mark Ozaki, Sex Assault Nurse Examiner (SANE) Jennifer Antony and Domestic Violence Intervention Coordinator (DVIC) Gina Kaulukukui conducted a half day presentation at the Crossroads Church in Kapaa. The aforementioned individuals are some of the elements involved in the Sex Assault Response Team (SART) for Kauai. The Kauai SART is primarily comprised of KPD, SANE, YWCA and the Office of the Prosecuting Attorney (OPA) with secondary members comprising other disciplines, to include but not limited to, the DVIC, the Children's Justice Center (CJC), Child Protective Services (CPS) and the State Attorney General's Office. There were about 100 people in attendance and the presentation focused on mandatory reporters of child sex abuse and child physical abuse to law enforcement authorities. There was a question and answer session and the attendees were very receptive and appreciative of the presentation.

On March 31, 2016, Lieutenant Kenneth Cummings and SANE Jennifer Antony conducted a two hour presentation at Waimea High School for the Waimea High School Honors Club. The presentation focused on Sex Assaults, the role of the SANE and forensic nursing. There were about 15-20 students in attendance and a question and answer session was done. The students were very intrigued by the SANE and their role in the criminal investigation process.

### **TRAINING PROVIDED**

In February 2016, federal officials from the Pacific Missile Range Facility (PMRF) requested training from KPD in regards to Sex Assault investigations, to include the role of the SANE in those investigations. There were about 15-20 attendees and the training was well received.

### **IN-SERVICE TRAINING PROVIDED TO PATROL**

In February 2016, Detectives provided four (4) in-service trainings to patrol officers and supervisors in all five (5-Lihue, Waimea, Koloa, Kawaihau and Hanalei) districts. These trainings covered initial investigation, crime scene processing and evidence collection regarding Reckless Endangering and Terroristic Threatening cases.

In March 2016, the SANE, CJC and the YWCA provided four (4) in-service trainings to patrol officers and supervisors in all five (5-Lihue, Waimea, Koloa, Kawaihau and Hanalei) districts. These trainings kicked off the Start By Believing Campaign which emphasizes that in Sex Assault investigations, investigators need to start by believing the victim's accusations throughout the criminal investigation.

## **VICE SECTION**

**The Vice Section is led by Acting Lieutenant Kenneth Carvalho**

## **MAJOR CASES**

Based on an ongoing investigation, officers applied for and were granted a search warrant for a home in Hanamaulu. The search led to the recovery of \$2,453.00, a stolen handgun, miscellaneous illicit drugs, and over seven pounds of crystal methamphetamine, which has a street value of approximately \$1.6 million. As a result of the execution of the search warrant, the home's occupants, 24-year-old Andrew Martinez of Hanamaulu and 28-year-old Steven Orozco of Stockton, California, were subsequently arrested for three counts of first-degree Methamphetamine Trafficking, three counts of Drug Paraphernalia, Promotion of a Dangerous Drug third-degree, Theft first-degree, and alteration of identification marks prohibited, as the serial numbers on the stolen handgun had been tempered with.

Conducted a four day warrant sweep with the U.S. Marshals Service assisting. A total of 22 arrests were made on outstanding bench warrants for drugs and violent crimes.

## **COMMUNITY ACTIVITIES AND INVOLVEMENT**

## **SPECIAL FOCUS SECTION**

### **The Special Focus Unit was led by Lieutenant Mark Ozaki.**

The Unit's Domestic Violence Coordinator (DVIC) position is held by Ms. Regina Kaulukukui. Ms. Kaulukukui is responsible for the intake and review of all cases involving family abuse, restraining and protective order violations, and domestic disputes.

The Sex Assault Nurse Examiners (SANE) program consists of trained and certified nurses who conduct the forensic examination during a sexual assault investigation. The SANEs will

photograph, evidence collection and document their examination for the assigned detective. The SANE may be called upon to provide testimony during a court hearing or procedure related to the examination. The coordinator for the SANE program is Ms. Jennifer Antony.

The School Resource Officer unit is headed by Acting Sergeant John Mullineux. The three officers assigned to the unit were Morris Unutoa, Lance Okasaki, and Andrew Muraoka. The officers received specialized training in dealing with juvenile related issues, and also conduct juvenile education, juvenile counseling and juvenile law related issues. The unit is tasked with the suppression, prevention and investigation of crimes committed by or against juveniles in the schools,

Law related Educational Presentations and Counseling and Mediation Services within their respective schools and throughout the community. The school-based program provides DARE/Keepin' it real, which is an Evidence Based Drug/Crime Prevention Education Program to all 7<sup>th</sup> graders in 3 public schools and 1 private middle school on the Island of Kauai.

Another operational focus of the section is the K-PAL program which serviced approximately 1500 juveniles between the ages of kindergarten to seniors in High School. K-PAL was formed to prevent juvenile crime, violence, and drug use, utilizing an after school and weekend recreation-oriented juvenile crime/drug prevention program that relies heavily upon athletics, recreational activities, evidence based education and police officers mentoring juveniles to help kids go right and stay right. Through our crime and drug prevention programs our mission and commitment is to "Filling Playgrounds, Not Prisons".

## **SPECIAL PROJECTS**

Hanalei District (Hanalei to Ke`e) - Property Detectives conducted an unauthorized entry into motor vehicle (UEMV) stake out project from Hanalei town to Ke`e beach park. This project consisted of an all-day surveillance during the time when vehicle break-ins were at its peak in the Princeville - Ke`e area. An arrest was made during this project, several persons of interest were identified and a stolen motorcycle was recovered after an unidentified male subject eluded Detectives. The motorcycle was reported stolen in 2013 and has since been returned to its registered owner. The unidentified male has not been identified at this time.

Kawaihau District (Gold Coast) - Property Detectives conducted a night surveillance special project in the Kawaihau District in an attempt to locate and apprehend individuals responsible for numerous condo burglaries from Papaloa Road to Kou Street in Kapaa, also known as the Gold Coast. During this special project Detectives were able to gain valuable information from those suspected of being involved and a person of interest was identified and later arrested for numerous burglaries and UEMVs in the Gold Coast area.

Koloa District (Poipu, Lawai, Kalaheo) – Property Detectives conducted a special project in the Koloa/Poipu areas in which a stakeout was done on a possible identified suspect involved in numerous burglaries and thefts on construction sites in the Poipu area. Primary suspect and their accomplices were identified and an arrest was made for thefts and burglaries. Many victims of these numerous burglaries were also personally met by Detectives in an attempt to gather more

information and reach out to them on what attempts are being done to help with the increasing property crime on the South Shore.

Island of Kauai (Pawn Shop Detail)- In June 2016, monies were encumbered for 6 license for the new reporting program system for Pawn Shops or second hand dealers. The Pawn Shops or second hand dealers were informed of this new reporting system . The Pawn Shop Detail is currently working with the vendor and the owners of the Pawn Shop on training and compliance. The Pawn shops or second hand dealers on Kauai were informed of the mandatory inspection and compliance laws pertaining to HRS 486M-1 (Definitions), 486M-2 (Record of transactions), 486M-3 (Transactions by minors prohibited), 486M-4 (Minimum retention of items), 486M-5 (Inspections), 486M-6 (Applicability), 486M-7 (Penalties), 486M-8 (Severability). This ongoing Pawn Shop Detail was created to help monitor, recover, identify, apprehend and get a

### **MAJOR CASES**

In July 2015, Detectives responded and investigated a reckless endangering 1st in the Koloa District. Detectives responded to Kalaheo were an improvised explosive device (IED) was placed on a residential property. The suspect was later identified and arrested. A residential search warrant was executed on suspect's home. No injuries or property damages was reported.

In August 2015, a 65 foot catamaran was stolen from the Port Allen pier. Video surveillance was obtained of the incident. The catamaran was found abandoned several miles outside of the harbor with severe damages to the hull. The catamaran was towed back to the harbor and the damages were appraised at \$175,000. Investigation is still pending.

In November 2015, a theft of explosives was reported by a private company in the Waimea District. There was a dual investigation by the Kauai Police Department (KPD) and the Federal Alcohol Tobacco and Firearms (ATF) Bureau. The investigation resulted in no criminal activities but instead confirmed that the private company was not compliant and accurate in record keeping and reporting. The ATF will sanction penalties and fines for the reporting and recording keeping violations.

In May 2016, Detectives investigated a burglary and UCPV cases in the Hanalei District. Suspects broke into a resident and used power tools to break into a firearms safe and stole two pistols, \$15,000 in cash, jewelries and the property owner's vehicle. With the help of Hanalei District Patrol Services Bureau, Detectives were able to locate and arrest three suspects who were staying at the Hanalei Bay Resort. A search warrant was executed on the hotel room and subsequently located the stolen items. The stolen vehicle was located in the parking lot of the hotel. All items were returned to the owners.

### **IN-SERVICE TRAINING PROVIDED TO PATROL**

From January 2016 to August 2016, Property Detectives provided 6 in-service mass trainings to patrol officers and supervisors from the Waimea, Koloa, Lihue, Kapaa and Hanalei District held at the main Headquarters. These trainings covered a range of topics which included consent to search, search warrant preparation, search and seizure, unattended death investigations, Felony Call-Out Matrix procedures, crime trends and white collar investigations.

### **Program Highlights – Administrative and Technical Bureau (ATB):**

In 2015, it became abundantly clear that the existing public safety software system would need to be upgraded. This system consisted of Computer Aided Dispatch (CAD), Records Management System (RMS) and Mobile software. A presentation was made to the Enhanced 911 board to request funding in the amount of \$2,300,000.00. The board graciously agreed to fund the entire project and on November 19, 2015 Kaua'i County Council approved the expenditure. During this time, Chief Darryl Perry and Deputy Chief Michael Contrades approved the formation of a team to conduct research on public safety software systems. After an exhaustive amount of research and investigation, the Spillman Technology system was chosen as the best product for the County of Kaua'i Police and Fire Departments, along with Emergency Medical Services (EMS).

The procurement process included a great deal of cooperation between the County Attorney's Office, Division of Purchasing, Finance Department, Information Technology Division, Fire Department and the Kaua'i Police Department. To ensure excellent pricing and to expedite the process the National Association of State Procurement Officers (NASPO) Value Point contract was used. There was a great deal of negotiation with the vendor to ensure the product and services would meet the County's needs. On December 29, 2015, the contract was signed and implementation began. Since that time there has been a great deal of progress and we anticipate meeting our December 5, 2016 go live date. We are very happy with the product and the vendor so far. We believe that moving to this upgraded system will be very beneficial to the public safety members and the entire County of Kaua'i.

### **The Research & Development Section:**

The Research and Development Section consists of a Lieutenant and two Sergeants, one of whom is in charge of Community Relations. Lieutenant Roderick B. Green is in command of the section. Sergeant Darla Nonaka (formerly Abbatiello) was assigned to this section to conduct background investigations on applicants for employment. Sergeant Nonaka is responsible for procuring uniforms and equipment, and assisting with department inventory, and has been instrumental in the hiring process.

The Community Relations position was vacant during FY 2016. The community relations

duties were spread out between various department members. These duties included station tours, oversees the department's chaplaincy program, job fairs, and career days at local schools.

KPD hired eleven new police officers who are presently assigned to the Patrol Services Bureau. With the infusion of the new officers into the patrol schedule, overtime expenditures have been reduced in the area of cancelled days off to cover basic services.

Another success and achievement this past fiscal year was the production and airing of a Kauai Police Department Recruitment commercial. The commercial aired statewide on Oceanic Time Warner Cable, as well as locally. The commercial was directed by Lieutenant Roderick Green. As a result of the commercial, as well as other recruitment advertisements, there was a noticeable increase in police applicants.

The Research and Development section continues to explore ways to streamline and enhance the recruitment/hiring process, as we continue our goal of attracting and retaining the most qualified and best-suited applicants for the department.

### **Training Section:**

Lieutenant Todd Tanaka and Sergeant Len Nitta led the Training Section, which continued to progress in improving services and programs to address areas of increased liability risk for the Kauai Police Department. The section also sought to provide quality training programs for personnel in an effort to keep up with the continuously advancing technological field of criminal investigations. For FY 2016, a department wide Annual Recall Training that was implemented in FY 2014 continued to be a success. The curriculum included range qualifications, reality based training, a physical fitness test, and pressure point and control tactics. The Training Section was tasked with scheduling both trainees and trainers for this event. The entire Department benefited from the most up to date and pertinent training.

### **Enhanced 911 Fund**

Program Description:

The Enhanced 911 Fund was established in accordance with Act 159/SLH 2004, as a special fund outside of the state treasury, to be administered by the Enhanced 911 Board. The fund consists of monthly surcharge collections imposed on each Commercial Mobile Radio Service (CMRS) connection (wireless telephones and similar devices). The Administrative & Technical Bureau's Assistant Chief represents the County of Kaua'i at the State of Hawai'i Enhanced-911 Board meeting and Technical and Finance Committee meetings each month. The A&T Bureau is also responsible for the submittal of reimbursement requests to the Enhanced 911 Board for corresponding expenditures detailed below.

1. Pictometry Intelligent Images - \$197,015:  
Pictometry imagery and software enables users to "See Everywhere, Measure Anything, Plan Everything," using a digital information system.
2. Akimeka, LLC. – \$204,700:  
Provides continued Wireless Enhanced 9-1-1 (E9-1-1) Program Management and Geographic Information System (GIS) Services for Neighbor Island Counties to support on-going operations and maintenance of their E9-1-1 system
3. Hawaiian Telcom - \$354,014  
Hawaiian Telcom Intrastate Tariff Charges charged for each Cache Meta Language (CML) position housed in a Public Safety Answering Point (PSAP) and the Alternate Dispatch Center (ADC) is reimbursed by the Wireless Enhanced Board Funds. This service through Hawaiian Telcom is necessary in order to receive emergency 911 calls. The Hawaiian Telcom trunk charges are the only mechanism for the PSAPs to receive emergency 911 calls. Without this service, none of the emergency responders would be able to respond to emergency 911 calls.
4. Travel - \$21,290:  
As County of Kauai representatives, Acting Assistant Chief Gausepohl, David Miyasaki and Lavina Taovao's travel to attend the monthly board meetings, monthly Finance and Technical Committee meetings and an Annual Training Conference which are fully reimbursed by the Wireless Enhanced Board funds.
5. KPD CAD Upgrade - \$2,347,500:  
KPD is contracting to convert the current Records Management System (RMS) and Computer Aided Dispatch (CAD) to create a more efficient workflow for police reports from the initial call into the Dispatch Call center. The Wireless Enhanced Board reimbursed for the equipment purchases needed to replace and upgrade the current system.

**TOTAL 2016 REIMBURSABLE EXPENDITURES = \$3,124,519.**
