The County and LWDB may require the Contractor to comply with the negotiated annual performance goals. The WDC may require the County to re-negotiate annual performance goals for the local area if the WDC re-negotiates the annual performance goals with the United States Department of Labor ("USDOL"). The County and WDC may identify additional indicators of performance for employment and training activities for adults and dislocated workers as necessary.

E. **Data and Reporting Requirements:** In order for the County and LWDB to monitor the Contractor’s compliance with this Contract, the Contractor shall submit separate program data and written monthly fiscal reports for the Adult and the Dislocated Worker Programs to the County and LWDB.

The PIRL contains a) demographic information of the adults, b) workforce investment activities in which the adults are enrolled or involved and length of time the adults are engaged in such activities, and c) outcomes for the adults, including occupation and placements in non-traditional employment. The Contractor shall enter the data for each quarter by the tenth calendar day of the month following the end of each quarter.

The fiscal reports of the Adult Program and the Dislocated Workers Program shall be separate for each program. These reports shall detail the uses made by the Contractor of compensation paid to it pursuant to this Contract, outline the expenditures incurred, and be certified as accurate by the Contractor.

To be compliant with this reporting requirement, fiscal reports with estimated expenses may be submitted electronically or via facsimile to the County and LWDB to meet the due date. An amended report must be submitted to the County and LWDB as soon as the actual expenses become available. In addition, the Contractor shall submit a completed close-out package within sixty (60) calendar days after the expenditure of the entire awarded amount or the termination of the Agreement, whichever is sooner.

3. **Additional Reports:** In addition to the above reports, the Contractor, upon request, must submit additional reports that the County, LWDCB, or WDC from time to time may request, and to meet with the County and LWDB
representatives to discuss the progress of the work required under this Contract.

4. **Reporting Penalty:** Should the Contractor fail to submit the program data and/or fiscal reports to the County and LWDB on or before the required dates, the County and LWDB is authorized to withhold funds owed to the Contractor until such time when the program data and/or fiscal reports are submitted and deemed acceptable by the County and LWDB.

F. **Audit Requirement:** If the Contractor expends $750,000.00 or more a year in federal awards it shall have a single or program-specific audit conducted for that year by an independent Certified Public Accountant to verify that its financial management system and internal control procedures are effective in meeting the terms and conditions of the Contract. The audit shall be in accordance with generally accepted auditing standards, the requirements of 2 CFR Part 200 Subpart F, and the Government Auditing Standards issued by the U.S. General Accounting Office. The audit report shall be furnished to the WDC within thirty (30) days after the report is submitted to the federal Clearinghouse in accordance with 2 CFR Part 200 Subpart F.

A reasonably proportionate share of the audit costs may be charged to the Contract only if an audit is required as stated above. Should the actual federal expenditure be less than $750,000.00, no portion of the cost of the audit, if conducted, may be charged to this Contract.

G. **County and LWDB Requested Modifications:** If the County and/or LWDB issues a written request to the Contractor for an Agreement modification, the Contractor shall ensure that a modification narrative as well as applicable budget documents are submitted to the County and LWDB within sixty (60) calendar days of the date of the County or LWDB’s request. Should the Contractor fail to submit an acceptable modification narrative and budget documents on or before the required date, the County and LWDB is authorized to withhold funds owed to the Contractor until such time as the modification narrative and budget documents are submitted and deemed acceptable by the LWDB.

H. **Assurances and Certifications:** By signing this Contract, the Contractor is assuring and certifying that it will fully comply with the WIOA and that it will fully comply with the laws, regulations, and other requirements set forth in the Special Conditions for the WIOA, Assurances and Certifications section:

In addition, by signing this Contract, the Contractor represents that it has provided the County and LWDB with the document entitled Assurances and Certifications sent to the Contractor by the County and LWDB, and that it signed the following certification forms attached to the Assurances and Certifications: Debarment and Suspension Certification;

I. ADDITIONAL TERMS

1.1 Proprietary or Confidential Information. All material given to or made available to the Contractor by virtue of this Contract that is identified as proprietary or confidential information shall be safeguarded by the Contractor and shall not be disclosed to any individual or organization without the prior written approval of the County.

1.2 Uniform Information Practices Act. All information, data, or other material provided by the Contractor to the County shall be subject to the Uniform Information Practices Act, chapter 92F, HRS, and any other applicable law concerning information practices or confidentiality.

2. No Agency; Liability

2.1 No Agency. The Contractor and the Contractor’s employees and agents are not by reason of this Contract, agents or employees of the County for any purpose. The Contractor and the Contractor’s employees and agents shall not be entitled to claim or receive from the County any vacation, sick leave, retirement, workers’ compensation, unemployment insurance, or other benefits provided to state employees. Unless specifically authorized in writing by the County, the Contractor and the Contractor’s employees and agents are not authorized to speak on behalf and no statement or admission made by the Contractor or the Contractor’s employees or agents shall be attributed to the County, unless specifically adopted by the County in writing.

3. Termination. This Contract may be terminated upon mutual written agreement of the parties or pursuant to the terms set forth below

3.1 Termination for default and cause.

(a) Termination for default and cause. If the Contractor refuses or fails to perform any of the provisions of this Contract with such diligence as will ensure its completion within the time specified in this Contract, or any extension thereof, otherwise fails to timely satisfy the Contract provisions, or commits any other substantial breach of this Contract, the County may notify the Contractor in writing of the delay or non-performance, and if not cured in ten (10) days or any longer time specified in writing, the County may terminate the Contractor’s right to proceed with the Contract or such part of the Contract as to which there has been delay or other breach of the Contract. In the event of termination in whole or in part, the County may procure similar goods or services in a manner and upon terms deemed appropriate. The Contractor shall continue performance of the Contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

(b) Contractor’s duties. Notwithstanding termination of the Contract and subject to any directions from the County, the Contractor shall take timely
and necessary action to protect and preserve property in the possession of the Contractor in which the County has an interest.

(c) Compensation. Payment for completed goods and services delivered and accepted by the County shall be at the Contract price. Payment for the protection and preservation of property shall be in an amount agreed upon by the Contractor and the County; if the parties fail to agree, the County shall set an amount subject to the Contractor’s rights under Chapter 3-126, HAR. The County may withhold from amounts due the Contractor such sums as the County deems to be necessary to protect the County against loss because of outstanding liens or claims of former lien holders and to reimburse the County for the excess costs incurred in procuring similar goods and services.

(d) Excuse for nonperformance or delayed performance. Except with respect to defaults of subcontractors, the Contractor shall not be in default by reason of any failure in performance of this Contract in accordance with its terms, including any failure by the Contractor to make progress in the prosecution of the work hereunder which endangers such performance, if the Contractor has notified the County within fifteen (15) days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the County in its contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; unusually severe weather; or for delay due to reasons beyond the Contractor’s control. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the Contractor shall not be deemed to be in default, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the Contract requirements.

(e) Upon request of the Contractor, the County shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the Contractor’s progress and performance would have met the terms of the Contract, the delivery schedule shall be revised accordingly, subject to the rights of the County under the clause entitled in fixed-price contracts, "Termination for Convenience" and in cost-reimbursement contracts, "Termination". As used in this Section, the term "subcontractor" means subcontractor at any tier.

(f) Additional rights and remedies. The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this Contract.

3.2 Termination for Convenience.

(a) Termination for convenience. The County may, when the interests of the County so require, terminate this Contract in whole or in part, for
the convenience of the County. The County shall give written notice of the termination to the Contractor specifying the part of the Contract terminated and when termination becomes effective.

(b) Contractor’s obligations. The Contractor shall incur no further obligations in connection with the terminated work, and on the dates set in the notice of termination the Contractor will stop work to the extent specified. The Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work subject to the County's approval. The County may direct the Contractor to assign the Contractor’s right, title, and interest under terminated orders or subcontracts to the County. The County must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

(c) Right to goods. The County may require the Contractor to transfer title and deliver to the County in the manner and to the extent directed: any completed goods; and the partially completed goods and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights, hereinafter called "manufacturing material," as the Contractor has specifically produced or specially acquired for the performance of the terminated part of this Contract.

(d) The Contractor shall, upon direction of the County, protect and preserve property in the possession of the Contractor in which the County has an interest. If the County does not exercise this right, the Contractor shall use best efforts to sell such goods and manufacturing materials. Use of this Section in no way implies that the County has breached the Contract by exercise of the termination for convenience clause.

(e) Compensation:

(i) The Contractor shall submit a termination claim specifying the amounts due based on the termination for convenience together with cost or pricing data to the extent required by Subchapter 15, Chapter 3-122, HAR, bearing on such claim. If the Contractor fails to file a termination claim within one year from the effective date of termination, the County may pay the Contractor, if at all, an amount set in accordance with subparagraph (iii) below.

(ii) The County and the Contractor may agree to settlement provided the Contractor has filed a termination claim supported by cost or pricing data to the extent required by Subchapter 15, Chapter 3-122, HAR, and that the settlement does not exceed the total Contract price plus settlement costs reduced by payments previously made by the County, the proceeds of any sales of goods and manufacturing materials
under paragraph (c), above, and the Contract price of the work not terminated.

(iii) Absent complete agreement under subparagraph (ii), the County shall pay the Contractor the following amounts, provided payments agreed to under subparagraph (ii) shall not duplicate payments under this paragraph for the following:

1) Contract prices for goods or services accepted under the Contract;
2) Costs incurred in preparation and performing the terminated portion of the work plus a five percent markup on actual direct costs on such portion of the work, such markup shall not include anticipatory profit or consequential damages, less amounts paid or to be paid for accepted goods or services; provided, that if it appears that the Contractor would have sustained a loss if the entire Contract would have been completed, no markup shall be allowed or included and the amount of compensation shall be reduced to reflect the anticipated rate of loss;
3) Subject to the prior approval of the County the costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to paragraph (b) of this clause. Subcontractors shall be entitled to a markup of no more than ten percent on direct costs incurred to the date of termination. These costs must not include costs paid in accordance with clause (2) of subparagraph (iii).
4) The total sum to be paid the Contractor under this subparagraph shall not exceed the total Contract price reduced by the amount of payments otherwise made, the proceeds of any sales of goods and manufacturing materials under subparagraph (ii), and the Contract price of work not terminated.

iv) Cost claimed, agreed to, or established under subparagraphs (ii) and (iii) shall be in accordance with Chapter 3-123, HAR.

3.3 Termination for cost-reimbursement contracts. The only cost recognized as allowable shall be in accordance with the cost principles set forth in Chapter 3-123, HAR, provided that if a written determination is approved by the County, such cost principle may be modified by contract.

4. Compliance with Laws

4.1 Licensing and Accreditation. As of the date of this Contract, the Contractor represents that it holds all licenses and accreditations required under applicable federal, state, and county laws, ordinances, codes, rules, and regulations to provide the Services required under this Contract.
4.2 **Persons with Disabilities.** The Contractor shall implement and maintain all practices, policies, and procedures required by federal, state, or county law, including but not limited to the Americans with Disabilities Act (42 U.S.C. §12101, et seq.), and the Rehabilitation Act (29 U.S.C.§70 l, et seq.).

4.3 **Nondiscrimination.** No person performing work under this Contract, including any subcontractor, employee, or agent of the Contractor, shall engage in any discrimination that is prohibited by any applicable Federal, state, or county law.
