2013 Public Input Process

In 2011, the County of Kaua'i 's Public Access, Open Space and Natural Resources Preservation Fund Commission identified three (3) sites that the County should consider for acquisition using the Open Space Fund. In 2013, the Commission would like to work more with the communities engaged with these sites to identify strategies for protection and/or acquisition that will assist the County in its Open Space Fund planning.

The public may also make suggestions for other lands or property entitlements (like access ways) that the County should consider for purchase or to otherwise acquire.

Please use this form to share information about a place or access you would like to see protected or acquired. Use one (1) Form for EACH Site Suggestion.

1. Address, place name and/or common name of site

2. Other helpful information like owner's name, tax map key (TMK #):

3. What type of protection do you suggest for this place? (one)

acquire property acquire easement

other (specify): _____

4. Why do you suggest this place? What's the opportunity / problem?
