Chair's Announcement	The upcoming Regular Monthly Meeting is set for October 24, 2025, at 9:00 a.m. It will take place in the Moikeha Meeting Room 2A/2B, followed by an Executive Session. This schedule is subject to change.	
Public Testimony	Vice Chair Yoshida stated that individuals may testify on any agenda item or wait for the item to be brought up on the agenda.	
Kauai Police Department Employees of the Month for September 2025	Officers Kaulana Renaud, Maria "Gabi" Himongala, Johnathan L.E. Anderson, Anthony "Kunane" Gayagas, Sergeant Morris Unutoa, and Lieutenant Matthew Tavares were recognized as the Kauai Police Department Employees of the Month for September 2025. Captain Stacey Perreira read the Commendation Report as follows: School Resource Officers Kaulana Renaud, Maria Himongala, and Johnathan Anderson, Kaua'i Police Activities League (K-PAL) Officer Anthony Gayagas, Sergeant Morris Unutoa, and Lieutenant Matthew Tavares of the Kaua'i Police Department's Community Engagement Section were recognized for their outstanding leadership and hands-on coordination of three community initiatives: the K-PAL Flag Football Program, the relaunch of the Junior Police Academy, and the fourth annual Touch-A-Truck event.	

SUBJECT	DISCUSSION	ACTION
	Officer Gayagas played a key role in planning and executing the K-PAL program, ensuring that participants and volunteers received meals, supplies, and smooth coordination. Throughout the season, those officers went above and beyond, coaching multiple teams and having several of their children volunteer alongside them to support the program. The team also contributed hands-on planning, staffing, and supervision for other K-PAL programs throughout the year, including boxing, pickleball, wrestling, and jujitsu. The Community Engagement Section also revived the Junior Police Academy, a five-day summer program for high school students that had been on hold for six years. The academy provided students with a detailed overview of the criminal justice system, including crime scene investigation, forensic science, firearms safety, and first aid. Officer Johnathan Anderson played a crucial role in restarting the program, overseeing coordination and planning. Several participants expressed interest in pursuing careers in law enforcement because of their previous experience. The Touch-A-Truck event is a free community event gathering that allows families to get up close to emergency and municipal vehicles and meet the everyday heroes who operate them. The event encouraged positive interactions between the community and various emergency service professionals. As the section supervisor, Lieutenant Matthew Tavares played a key role in planning Touch-A-Truck and provided strong leadership and effective management across multiple community programs. His operational coordination and dedication to youth development were essential to the success of each initiative.	

SUBJECT	DISCUSSION	ACTION
	After the reading of the Commendation Report concluded, the Commissioners, Police Chief Ke, and Deputy Police Chief Mark Ozaki presented the officers with leis and a certificate of outstanding and exemplary service, congratulating them for a job well done. Vice Chair Yoshida called for public testimony. Councilmember and Committee Chair of Public Safety, Felicia Cowden, stated she was speaking on behalf of the members of the county council. The council is pleased with all the excellent work KPAL is doing for Kauai's youth, especially the school resource officers. She thanked the officers for everything they do for the community. Mr. Bruce Hart expressed appreciation for the dedicated work officers are doing and continue to do for Kauai's youth. He praised Chief Ke and his staff for gathering the Employees of the Month in one room despite their other responsibilities. He was deeply touched to see how the Lord has provided caring men and women as role models for the community's children, especially those who have never been in the presence of a police officer; seeing those officers' friendly faces can only bring them joy and make them feel safe. As an adult, having officers in the community makes him feel secure as well. After the testimony was completed, the officers took a moment to thank everyone for recognizing them at the meeting, especially their families, for all their support. Being appreciated for their work with Kauai's youth is a bonus, as not everyone notices the effort involved in organizing community events. Still, they do it because they want to build a stronger relationship between the police and the community.
