To the extent applicable, the amounts and types of insurance will conform to the minimum terms, conditions and coverage(s) of Insurance Service Office (ISO) policies, forms, and endorsements.

### A. General Conditions

**Waiver of Subrogation.** Contractor shall agree by entering into a contract with the County to provide a Waiver of Subrogation for the Commercial General Liability, Automobile Liability, and Workers Compensation policies. When required by the insurer, or should a policy condition not permit Contractor to enter into a pre-loss agreement to waive subrogation without an endorsement, the Contractor shall agree to notify the insurer and request the policy be endorsed with a Waiver of Subrogation in favor of the County. This Waiver of Subrogation requirement shall not apply to any policy, which includes a condition specifically prohibiting such an endorsement, or voids coverage should Contractor enter into such an agreement on a pre-loss basis.

**Additional Insured.** Contractor shall agree to endorse the County of Kaua'i as an Additional Insured with a CG026 Additional Insured – Designated Person or Organization endorsement, a copy of the applicable policy language, or similar endorsement to all required insurance policy(ies), except for Workers Compensation and Professional Liability.

At the discretion of the County, the County may require Contractor to reduce or eliminate any such deductibles or self-insured retentions as respects the County, or require Contractor to provide a financial guarantee (audited financial statement or bond) satisfactory to the County guaranteeing payment of any losses and related investigations, claim administration, or defense expenses. Any deductibles or self-insured retentions are the sole responsibility of Contractor and its subcontractor(s) if any. The County reserves the right to deduct from the final payment to Contractor any unsatisfied deductibles or self-insured retentions which would result in a lien against the project.

When any deductibles or self-insured retention exceeds \$50,000, the County reserves the

right, but not the obligation, to request and review a copy of Contractor's most recent annual report or audited financial statement.

Contractor must declare any exception to the requirements of this provision as a question to the solicitation prior to submission of their offer, and must declare their ability to provide a bond or other satisfactory guarantee in lieu of any deductibles or self-insured retention. The County will make a determination as to any exception(s) via an addendum to the solicitation prior to final submission of offers.

**Contractor's Responsibility.** The Contractor is responsible for paying any portion of any loss not covered because of the operation of any deductible, co- insurance clause or self-insured retention applicable to the insurance required herein. If the County is damaged by the failure of the Contractor to maintain insurance as required in this paragraph, then the Contractor shall bear all reasonable costs properly attributable to that failure.

**Primary and Non-contributory.** All policies required of the Contractor will be endorsed as primary and any insurance or self-insurance program maintained by the County shall be non-contributory.

on insurance market conditions affecting the availability or affordability of coverage; or changes in the scope of work or specifications affecting the applicability of coverage.
