- I. Pursuant to 103D-306, HRS, and Subchapter 9, Chapter 3-122, HAR, the Department requests sole source approval to purchase the following: **(Description of goods, services, or construction)**

Replace Dezurik valves at Lihue WWTP Dry Beds.

- II. Name and Address of Vendor:

Hawaii Engineering Services  
1082 Makepono Place  
Honolulu, HI

- III. Estimated Cost: \$19,734.00

- IV. Term of Contract or delivery time:

Net 30 days

- V. The goods, services, or construction has the following unique features, characteristics, or capabilities:

Hawaii Engineering Services (HES) is the sole representative in the State of Hawaii and Territories of Guam, American Samoa, and Saipan for Dezurik products. Dezurik markets their products through exclusive technical representation only. Please contact HES in regards to any inquiries regarding our entire line of valves and controls, and their parts, including the Dezurik, Apco, Willamette and Hilton line of products. Only factory OEM Dezurik parts and components can be used in the repair or servicing of Dezurik product lines.

- VI. Describe how the unique features, characteristics, or capabilities are essential for the agency to accomplish its work:

These Dezurik valves are needed to isolate the sludge flow at the Dry Beds in Lihue WWTP.

These are direct replacements.

- VII. The following other possible sources for the goods, services, or construction were investigated but do not meet our needs because:

There are no other vendors that sell Dezurik parts or accessories.

- VIII. Person(s) recommended to negotiate the sole source contract:

- A. Name, Title, and relevant experience or qualifications:

Jon Nakashima  
10 plus years of experience with WWTP operation
