

# **Office of the Prosecuting Attorney**

**Fiscal Year 2025 Annual Report**

**July 1, 2024 – June 30, 2025**

**Rebecca V. Like  
Prosecuting Attorney**

## **OFFICE OF THE PROSECUTING ATTORNEY (OPA)**

### **I. MISSION STATEMENT**

It is our mission to promote the fair, impartial and expeditious pursuit of justice in every case, to ensure safer communities, and to promote integrity in our profession. It is also our mission to temper justice with compassion, and to do our work in an open, transparent, and accountable way.

### **II. DEPARTMENT GOALS**

- A. Diligently represent the County of Kaua'i and the State of Hawai'i in the prosecution of all offenses arising under the laws of the State and the ordinances and regulations of the county of Kaua'i in a swift manner, and to ensure justice is served in each case.
- B. Advocate for crime victims' rights and ensure that victims have an active voice in the criminal process by maintaining a fully staffed Victim/Witness Program (VWP).
- C. Maintain close relationships with federal, state, and local law enforcement agencies to ensure successful prosecution of criminal offenses.
- D. Increase presence and participation at the State Legislature to ensure a coherent legislative agenda regarding public safety.
- E. Develop community-oriented prosecution by strengthening outreach, accessibility, and participation.
- F. Maintain a high level of ethical integrity and professionalism.
- G. Practice effective fiscal management and strive to achieve optimum levels of operational efficiency.

### **III. PROGRAM DESCRIPTION**

#### **OPA Case Management and Workflow**

- A. Program Objectives
  - 1. Upgraded our operational system to provide for faster search features and ensure accurate reporting and efficiency. Maximized the Case Management System (eProsecutor) features to better service the public.

2. Interface between state agency database systems (Juvenile Justice Information System and Hawai'i Criminal Justice Information System).

B. Program Highlights

1. Implemented an at-a-glance dashboard in case management software that displays vital information/notes of defendant.
2. Successful integration of case management software with Kaua'i Police Department's Spillman software to automate the import and sharing of discovery documents.
3. Completed interface between OPA and State of Hawai'i Juvenile Justice Information System.
4. Regular updates of new statute language in case management software and charging manual to eliminate expired language.

Victim/Witness Program (VWP)

A. Objectives

1. Provide services to at least 800 victims.
2. Of the total number of victims who receive services, a cumulative percentage of at least sixty percent will be victims of high priority categories as follows:
  - a. Child abuse
  - b. Sexual assault
  - c. Domestic violence
  - d. Surviving family members of murder or negligent homicide

B. Highlights

1. Served 742 victims and provided 4,426 services.
2. Served 28 witnesses and provided 92 services.
3. Served 438 victims of a high priority category, or a cumulative percentage of fifty-nine percent.

C. Program Highlights

- Fully staffed for the first time in 4 years
1. Participated in a multi-disciplinary team meeting with congressional staff from the offices of Senator Schatz and Senator Hirono to address the needs, response, and funding for children who have been sexually assaulted.
    - a. Grant Programs

Domestic Violence Prosecution Unit (DVPU)

- i. DVPU has been funded through the STOP Violence Against Women Grant since 1997. This unit consists of one 0.65 FTE Deputy Prosecuting Attorney whose primary role is to focus solely on Domestic Violence and Temporary Restraining Order violations.
- ii. DVPU's goal is to improve public safety through efficient and effective prosecution of domestic violence crimes, including the violation of restraining/protective orders.

Grant Program Highlights

- i. From July 1, 2024, to June 30, 2025, there were one hundred sixty-seven (167) domestic violence cases received. One hundred percent (100%) of Domestic Violence cases were vertically prosecuted.

Department of Transportation Highway Safety Grant

- i. The Department of Transportation Highway Safety Grant supports .50 FTE the Traffic Support Resource Prosecutor (TSRP). The TSRP serves as the statewide representative and is responsible for facilitating a coordinated, multi-disciplinary approach to impaired driving prosecution and other traffic crimes, based on the National Highway Traffic Safety Administration's Traffic Safety Resource Prosecutor Manual. The TSRP mentors fellow Deputy Prosecuting Attorneys on the prosecution of vehicular crimes, such as Operating a Vehicle Under the Influence of an Intoxicant (OVUII), misdemeanor and felony Negligent Homicide and Negligent Injury cases.

Grant Program Highlights

- i. From July 1, 2024 to June 30, 2025, the OPA achieved one-hundred

percent (100%), or seventy-two (72) out of seventy-two (72) cases, conviction rate in vehicular crimes.

b. Property Crime Prosecution

Program Objectives

- i. Partner with community organizations and law enforcement to recognize and respond to trends.
- ii. Civil nuisance abatement of “drug houses” - which have a direct and indirect impact on property crimes.

Program Highlights

- i. Successful leveraging of plea agreements to convict property offenders and obtain restitution for victims of property crimes.

c. Community- Oriented Prosecution Program Objectives

- i. Attend community and/or Mayor’s Community meetings.

Program Highlights

- i. Participated in multiple community interviews/programs both in-person and via video conferencing.

d. Support Staff

Program Objectives

- i. Maintain cross-training of support staff.
- ii. Provide continual support in continuous e-filing implementations by Judiciary.

Program Highlights

- i. Support staff received continuous training in all courts, broadening their knowledge of different court operations.
- ii. Successfully transitioned staffing levels during the COVID-19 pandemic to fifty percent in-house and fifty percent teleworking without a reduction in service or detriment to office operations.

e. Alcohol and Drug Abuse Division (Life’s Choices)

- i. Successfully transitioned staff into assessing the issues and pinpointing where concerns are in the community and the populations impacted.
- ii. Staff was able to focus on the Partnership for Success Assessment Plan along with other substances in adolescents.

#### Program Highlights

- i. Collaborated with various community coalitions and organizations to follow the Partnership for Success (PFS) Plan and its focus on alcohol use, along with other substances.
  - ii. Ola Pono o Kaua'i 2024 Conference: collaboration of professionals from local, state and federal agencies, business, prevention and treatment providers, law enforcement personnel, and community stakeholders to address the Health and Well Being of Kaua'i with an emphasis on integrating cultural practices.
  - iii. Continuing to develop an island-wide prevention network called the Pilina Prevention Network for government and nonprofit agencies to foster the use of evidence-based practices and programs and encourage collaboration across service providers.
  - iv. Staff is contributing to development of a statewide prevention network to replicate what is done with the Pilina Prevention Network.
- f. E Ho'i I Ka Piko (Returning to the Center)
- i. Expand the already existing Go Pack! Program, hire a full-time staff member to work solely on coordinating reentry services, and establish office space for the program outside the Prosecuting Attorney's Office. The current Go Pack! Program provides resources to inmates upon release including assistance with obtaining government identification, a resource list, two doses of Naloxone and a monthly bus pass. Having a full-time position to assist with reentry would expand the services and resources offered as well as establish more robust connections with community partners.
  - ii. The projected outcome is a reduction in recidivism and a meaningful connection to home and community for participants (E Ho'i I Ka Piko). The service area would be the County of Kauai with the recipients being anyone released from the County of Kauai's only correctional facility – the Kaua'i Community Correctional Center – who are in need of support.

## Program Highlights

- v. Contracted with Unite Us Hawai'i to create a robust referral management system to service justice-involved individuals and assist with access to treatment, obtaining identification, and ultimately reduce recidivism.

## IV. BUDGET

- A. Operating Budget, \$7,589,415 (Ordinance B-2022-886).

## V. ACCOMPLISHMENTS/EVALUATION

- A. Implemented a wide range of written policies designed to reflect the Office of the Prosecuting Attorney's mission of tempering justice with compassion, by seeking alternatives to mass incarceration for non-violent offenders who do not pose a public safety risk.
- B. Collaborated with Hale 'Opio and the Vera Institute's Motion for Justice Program to implement a program that would create a measurable reduction in racial disparities in case outcomes; increased understanding of history of racial injustice within the criminal justice system among deputies, advocates and administrative staff, especially in the Hawai'i-specific context of colonialism; community engagement and understanding of the campaign's justice to pursue racial equity.
- C. Started the Kaua'i Fentanyl Task Force, addressing prevention & harm reduction, increasing access to treatment services, building peer support & recovery services, and addressing gaps in data regarding overdoses.
