The Paipured: Parkingor Street rear Hotels (by Employees?) is very bad. Unsafe / should not be allowed as noteds remits were intended to allow for poorking on premises!

Poipe Beach Park: a disgrace / The restroom need to be addressed! of health as Chickens are a source of health as they there are foo many! This beach is an 'Golden Egs' for Kanau! Take care of it & make it a gent! Take care of it & make it a gent!

SOUTH KAUA'I COMMUNITY PLAN

Walking pash built on the South Side. Specifically a safe place where People can engage in these activities as the roads (ie. Koloa Rd.) have little to no shoulder. Ideally, this path would connect points inland (Kalaheo, Lawai, & Omao) with Koloa & Poipu and could thereby be used as an alternative transportation route to/from restaurants, beaches, etc.

thank you for working on making South Kauai a better place to live!!

We want to keep the buildings no higher than a cocomet tree. Some buildings started to "cheat" over the fast decade or so. Putting account trees as platforms, etc. Wyndhom Hotels is too tall. We want to see Norther trees planted in "green way" in the middle of the new hydray (Richi/Li'hure) and any other places. The cenert is bright and Trees would be beautiful, Shading, breathy, habitat making organisms. We would like to see that he have lithing be a Tree City, U.St. We would like to be sive that the new development @ Matahuena not only has a path access to the ocean but a cliff access along the food of the development - the shouline. More police patrols through the onam Road and po'ipu Rd, and the road that goes to Sporting Horn.

HONOLULU, HI PERMIT NO 169

HAWAII RESIDENT PÓ BÓX HÓLDER

LAWAI, HI 96765

T3 P14 5925

Possible solution:

I have basically 2 wishes:

a) Remove some of those rocks and fill in the swamp.

b) Marriot employees should use their own parking lot.

2. Safer swimming conditions at Poipu & Waiohai Beaches.

Most of the stand up paddle boarders do not have common sense and do not even realize how dangerous and intimidating it is for us that like to swim at that beach, when they board all around us. Many times I see children or elderly without supervision, they don't even look where they are going. Please find a way to share our very small beach. Some possible solutions:

a) Everybody should get a briefing each time they rent a board.

b) Have a designated area for stand up boarders possible at nearby Kukui'ula Harbor.

1. More available parking in Poipu Beach Park and Waiohai beach access parking lot.

Thank you for the opportunity to express my concern for the future of South Kauai. Andrea Crown, Kalaheo

SOUTH KAUA'I COMMUNITY PLAN

KŌLOA • PO'IPŪ • KALĀHEO • 'ŌMA'O • LĀWA'I

Suggestions:

Public beach access island wide.

Safe parking at access points to public shoreline.

Adequate parking for South Shore area beach access.

Clearly marked NO PARKING areas.

### SUGGESTION #4 - See Exhibit #2

#### CLEAN UP THE OPALA IN THE STREAM!!!

Perfect timing on the article and this important issue.

Why is everyone involved pointing fingers and turning heads? This is CRAZY! Are we that ignorant to let something like this happen? From whomever left the opala to whomever owns the land, it doesn't matter. It is a clear message that we do not care. Pride in the community begins when these large, deep pocket investors, developers, landowners, take responsibility, plan correctly, follow thru and give back to the community. Then the community will be more cooperative and grateful. When you mess with the lifestyle of a community, you get retaliation. Negative actions only breed more negativity. If you are a landowner, developer, investor, and do not take pride and responsibility in your kuleana, the County of Kauai should be out there giving citations and fines. Big Fines! And then use this money to build park in suggestion #1. And even if we, the people, don't hear and see the full story in alot of these developments, it freakin doesn't matter because WE ALL SUFFER. We are tired of fighting, justifying, proving our worth to live here on Kauai. When our beloved ancestors worked very hard, taught us what they knew and told us "take care", they meant it.

I am so sad to see what this island is becoming. Kauai is becoming a place where many part-time rich people who come once in awhile, use Kauai for their own benefit, as they take their money back to the mainland. Also, a place where free thinking groups bring their ideas/ideals and also make money on the specialness of Kauai.

If I have no choice but to move away because I cannot afford living here anymore, I might as well dig up my great-grandparents, grandparents, and parents bones to take with me. Kauai will lose its best children who came from the real people who made Kauai and kept Kauai special. Old style=Respect when you walk into someone's home. How much more do we have to tolerate?

I cannot sing or dance anymore. I feel too guilty if I am happy and my brothers and sisters of Kauai are still suffering. All I am doing now is praying, praying, praying, for love, for Kauai and her people.

I humbly ask that leaders check in with Puuwai and Pono. Mahalo for giving me the opportunity to share my dreams.

Respectfully submitted, tonikauai@yahoo.com

#### **SUGGESTION #1 - See EXHIBIT #1**

PARK ACROSS SUEOKA....CORNNER OF Maluhia Rd. and Koloa Rd.

With all the eateries in Koloa Town, there should be more parks, areas where people can sit and eat. A little park in this area in middle of town would be great for residents and visitors. It is small enough to enclose with fencing so that children would be safe inside while playing. Also prevent drivers from getting distracted while turning from main roads (Maluhia and Koloa Rd.).

It would be nice to have playground equipment, picnic tables, seating benches, a water feature where water is shooting up like sprinklers, and a sidewalk path going around the park for strollers, bikes, and roller blades, drinking fountains, a trash/recycle bin.

I Love Uncle Tony Kunimura, he did a lot for our island, we should name this park after him. Don't know if the park is privately owned or county property. I'm guessing liability would be an issue but don't know if there is a way to waive all liability when entering park. No animals allowed unless service animals. Chickens need to be put under control. They dig up pukas, beg for food, and would be pooping on the equipment.

Suggest contacting: KABOOM.ORG for park playground grants and equipment.

Also contacting:
Knudsen Family Trust
Phyllis Kunimura
Governor and Mrs. Ariyoshi
Koloa Lyons Club

#### **SUGGESTION #2**

We need a Poipu/Koloa Shuttle Bus for hotels and shops. This would eliminate some traffic and parking problems.

#### **SUGGESTION #3**

Parking situation with Koa Kea employees. Why doesn't Waiohai and Koa Kea work out a lease for the parking structure at Waiohai. Don't know how much of the parking in their 2 story garage is occupied, but, maybe Waiohai could rent a few spaces to Koa Kea employees.

# Stress on Kauai's Environment and its People has reached Crisis/Emergency Levels contrary to the: "The Aloha Spirit Law"

#### Problem:

- Lack of PONO & Value Driven Governance of Kauai County
- The Poisoning of Kauai, of its air, its eco and marine systems, its aina / land, its residents, its visitors, its economy, and all additional plant and animal life on Kauai, which is resulting in dis-ease and death, preventing a healthy sustainability.
- The immoral and illegal behaviour of those who represent financial interests that value money over life itself, that are devoid of basic respect for human decency, and for nature and who have dictated the future of Kauai / Hawaii far too long.

#### Solution:

- To define and regulate conduct which is detrimental to the public health, safety, welfare and peace.
- 2. Research and Implement Best Management Practices in Pono for a healthier Island community for at least 7 generations into the future.

### Vision Boards

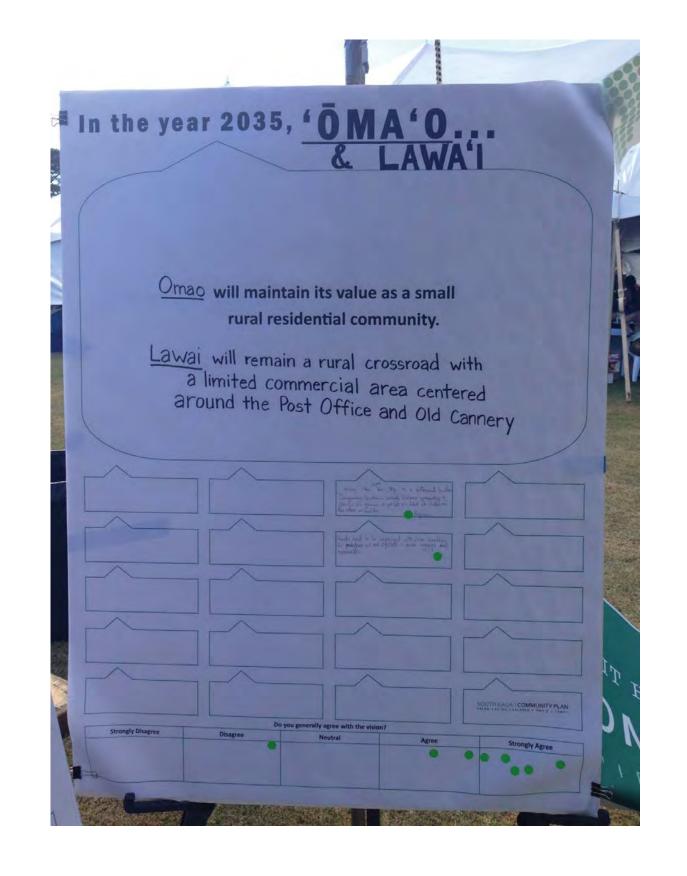

Vision Boards were shown at Kōloa Plantation Days.

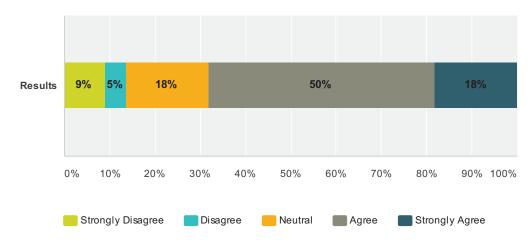

## Vision – Survey Results

An online survey was posted with the various vision statements to gather further input.

#### SOUTH KAUA'I COMMUNITY PLAN

# Q1 Do you generally agree with the vision for the South Kaua'i Region?

Answered: 22 Skipped: 0

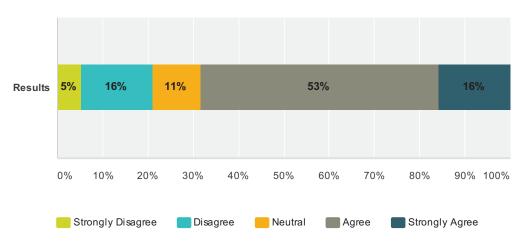

#	Provide any suggested revisions here:	Date
1	I don't support destroying cultural protocol or practices or native food n water KAPU.	10/10/2013 5:06 PM
2	Kukuiolo was thoughtfully planned. The development with several high rise condos on Poipu road on the way to the Sheraton looks like a Federal Prison.	10/9/2013 8:03 AM
3	Problems with cultural n environmental impacts in areas are already occurring No broad based committee planning n causing the disenfranchised population to b disadvantaged and no adherence to watershed and cultural protocol There is an already existing shoreline community watershed plan for kona moku. This planning needs real comprehension Conservation n cultural considerations as well as resources waste n proper permits. Is kukuiula defdlopment involved? Nief's unprofessional n illegal actions are proved paramount and harassing n insulting to our kona moku. Existing damages from his tenure is still evident and kwwc would like to recall his coastal project n audit. This type cannot be allowed to move west from lawai There is a watershed council already in that area that was not networked with. Bullying from committee n workers are rampant n unacceptable The plans is half baked n infringes upon cultural practices that already existed prior to this urbanization. Needs more scrutiny South should stay south n their planners should not incite civil disturbances or bullying and they should network thoroughly instead of jus within their own Westside is represented from lawai kai to polihale with kwwc stewardship n na kupuna objects to the urbanization instead of healing of the land n people Very disheartening.	9/26/2013 10:22 AM
4	after the word "development" insert the words "with an eye to historic roots"	9/14/2013 10:41 AM
5	Rural, is primary. Pockets of Resort is acceptable for employment and housing, and is not the end goal. Rural, is primary. NOT a South Shore Princeville/Hanalei retirement immigrant community.  "Feel good vision" meant to be ambiguous?	9/10/2013 2:01 PM

	SOUTH KAUA'I COMMUNITY PLAN	
6	The only thing I strongly disagree with is the use of the word "rural". South Kauai may still be comprised of 6 distinct communities, Kalaheo, Lawai, Omao, Koloa, Poipu & Kukuiula, that are becoming and will be linked like a lei in a greater South Shore community. I believe it will be possible to record & preserve some of the former cultural, natural and historic heritage, but the rural life style will continue to be modified, as it has already been in the last 60 years. It is difficult to be truly rural when access to formerly accessible rural lands is no longer available due to development or landowner imposed restrictions. A new "South Shore" culture which has been and is still developing will become predominant and generally replace the past which will live on in history, monuments, festivals, celebrations and memories of some of the long term residents. I do think we can continued to promote & foster a "rural style" relaxed and tranquil pace of life, but as houses, condos, solar farms, etc. eat up former pineapple fields, cane fields and pastures it is difficult to insist that the land is still rural. It may be beautiful, relaxed and historic, but more people, more buildings, more infrastructure and more vehicles indicate it trending strongly toward a resort, resort/suburban land use pattern.	9/6/2013 6:53 PM
7	sounds like the community is going to be broken up but have things in commom	9/4/2013 3:44 PM
8	more emphasis on people-powered transportation int the vision statement, please. Right now it still sounds like the same old cars (and a bit of bus). I want to be able to walk and bike safely EVERYWHERE in south Kauai.	8/25/2013 3:47 PM
9	SOUTH KAUA'I will be comprised of distinct rural communities, each embracing its own rich cultural, natural, and historic heritage, but safety oriented to include walking and bike paths and ample parking. Balanced, responsible development enhances existing communities, preserving the local rural lifestyle that embodies South Kaua'i and is cherished by residents and visitors alike.	7/27/2013 2:04 PM
10	define "responsible development" . does that mean more commercial tourist oriented development ? or diversified agriculture so we can feed ourselves and be independent of imports for 85% of our food ?	7/26/2013 3:01 PM

#### SOUTH KAUA'I COMMUNITY PLAN

# Q2 Do you generally agree with the vision for Koloa?

Answered: 19 Skipped: 3

#	Provide any suggested revisions here:	Date
1	Go slow. Don't do an Oklahoma land rush as the market improves.	10/9/2013 8:04 AM
2	Words don't correspond with the current conditions n foreboding problems n active habitat practices. Please network with watershed council kona moku n watershed practices. Seems this plan lessens the quality of life for natives Kupuna say stay in poipu b koloa	9/26/2013 10:26 AM
3	which could only be achieved by a comprehensive architectural plan and strong design guild lines which presently do not appear to be in place or monitored by the Planning Department	9/11/2013 3:33 PM
4	Ambiguous statement, at best. Preserving Rural, encouraging cultural awareness, and acceptance.	9/10/2013 2:01 PM
5	Again object to "rural" and in this case it is virtually impossible, in my opinion, to say Koloa maintains its "rural feel" when 20 cars a minute whiz by Sueoka Store just about any time of the day during business hours. This is a personal observation generated by an unprofessional visual car count at different times of the day over the past several months. Additionally on any given day, the sidewalks of Koloa are filled with visitors, as they should be, but is that "rural". Not in my book! Koloa is friendly, congenial, interesting, historic, relaxing and inviting, but it isn't rural nor does it have a "rural feel". I enjoy Koloa and am proud to be a Koloa boy, but rural was small kid time and life has changed.	9/6/2013 7:05 PM
6	Believe Koloa should be a walking town. Diverting vehicular traffic away from the center of town & the center of town should be "foot/walk" town. supporting the use of bicycle & public transportation.	9/4/2013 12:55 PM
7	"thriving commercial" is threatening "vast cultural treasures"	7/26/2013 3:06 PM

#### SOUTH KAUA'I COMMUNITY PLAN

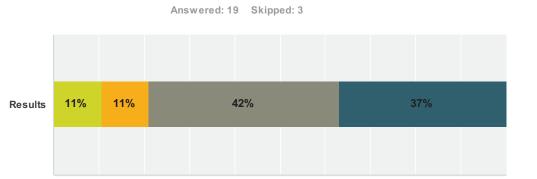

# Q3 Do you generally agree with the vision for Poipu?

#	Provide any suggested revisions here:	Date
1	Fewer high end resorts vs. several lower end resorts will ensure continued attraction to a special place!	10/9/2013 8:06 AM
2	Be careful of density issues. Need to preserve open space and maintain a mix blend of the resort and rural	10/8/2013 1:02 PM
3	This is not what is going on Cultural n environment distresses as well as corporate bullying of cultural people and causing further disenfranchisement of the natives and real local people This plan reflects intrusions to quality of life Resources already taxed in appropriately South stay south.	9/26/2013 10:28 AM
4	need to emphasize walkable and bike-able and parking in this statement. The statement is a broad stroke and being that this area is where the dollars are, it must be more specific	9/14/2013 10:42 AM
5	Like Waikiki & Maui? NOT. However, with current zoning and VDA status, Poipu tourism growth is a given. Let's learn from mistakes of Princeville/Hanalei, Lahaina, and Waikiki. Black Pot Beach, Hanalei River Mouth, and increasing demands on ocean resources are points of conflict. Kukuiula Harbor?	9/10/2013 2:01 PM
6	Suggest the addition of Kukuiula unless we are not differentiating. Check the historic & cultural record, particularly the last 50+ years Poipu was East & Kukuiula was West.	9/6/2013 7:09 PM
7	Poipu is not welcoming world class park - it is dirty and nothing like it was 30 years ago. This is a black eye on the South Shore	9/5/2013 11:55 PM
8	Provided that their is consistent transportation to alleviate parking issues.	9/4/2013 12:56 PM
9	I would add the word "natural", as in preserved heritage and natural resources	8/25/2013 3:49 PM
10	PO'IPŪ will be a world-class, sustainable resort destination serving residents and visitors alike, developed responsibly, with clean, healthy beaches, bike and walking paths, ample parking, ocean environments, welcoming parks and preserved heritage resources, all well-connected and accessible to everyone.	7/27/2013 2:06 PM
11	fix that "welcoming park" bathroom at poipu thats been stagnant forhow long??	7/26/2013 3:11 PM

4/7

#### SOUTH KAUA'I COMMUNITY PLAN

# Q4 Do you generally agree with the vision for Kalaheo?

Answered: 20 Skipped: 2

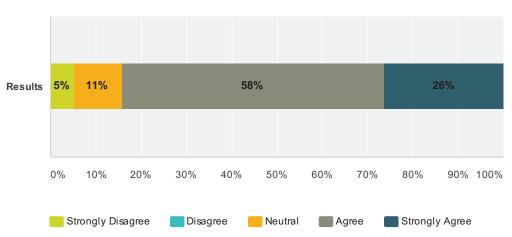

#	Provide any suggested revisions here:	Date
1	Very bad planning	9/26/2013 10:28 AM
2	I see Kalaheo as a town that really requires great thought of this planning process. Kalaheo is increasingly becoming a drive thru town with a significant bottleneck at the stop light. We must expect that traffic to the base on the west side is going to increase for years to come. In the meeting at the Hyatt last week, little was mentioned about the intense traffic that occurs M-F in Kalaheo. It is the southshore community that is most impacted by insufficient arteries.	9/14/2013 10:48 AM
3	RURAL	9/10/2013 2:01 PM
4	Kalaheo is run down and deserves much better. We too would like to have walking roads and accessible transportation like planned for Poipu. We would like "bark free" and junk car free neighborhoods. Try walk or bike from Brydeswood to Kalaheo School - death trap. Try walk Papalina Rd for exercise - death by car or dog. Try sit at the Stop Light on Papalina to turn West - FOREVER and one car gets thru the green. We pay a lot in real property tax and we do NOT get any aloha cuz we all stay working and no time for "Community Association"	9/6/2013 12:02 AM
5	Need to emphasize that it will be a residential community connected by walking and biking paths within itself and to the rest of S. Kauai. (then follow up with the bit about enhanced)	8/25/2013 3:51 PM
6	commercial center? there goes the residential community	7/26/2013 3:16 PM

#### SOUTH KAUA'I COMMUNITY PLAN

# Q5 Do you generally agree with the vision for Omao?

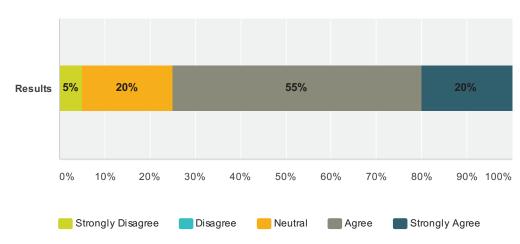

#	Provide any suggested revisions here:	Date
1	A side walk would help.	10/9/2013 8:07 AM
2	Another bad planning with already cultural violations. We cannot approve genocidec	9/26/2013 10:28 AM
3	Omao needs to leverage is proximity to Old Koloa Town by affording the residents safe and walkable shoulders into Koloa Town.	9/14/2013 10:49 AM
4	RURAL	9/10/2013 2:01 PM
5	agree except for rural although Omao is surrounded by ag land where access is limited	9/6/2013 7:11 PM
6	It needs safer road structure.	9/4/2013 12:57 PM
7	with better walking and biking networks connecting it to the rest of S Kauai	8/25/2013 3:51 PM
8	no choice there, no more room already	7/26/2013 3:17 PM

#### SOUTH KAUA'I COMMUNITY PLAN

# Q6 Do you generally agree with the vision for Lawai?

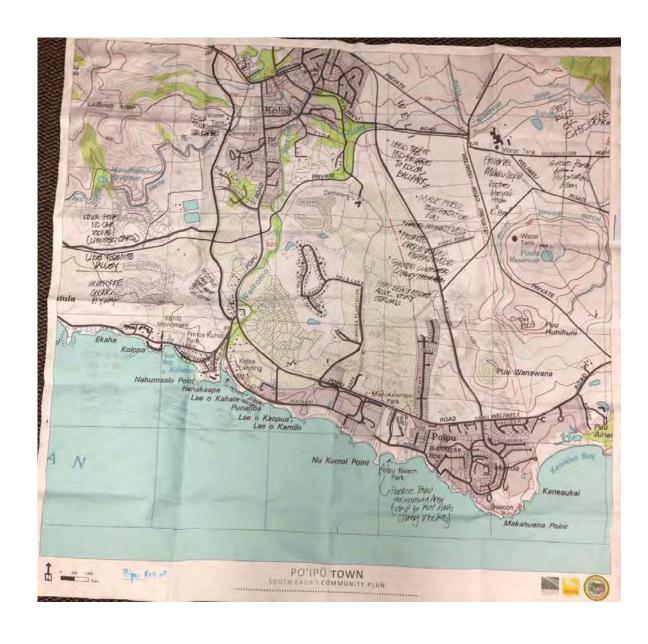

Answered: 20 Skipped: 2

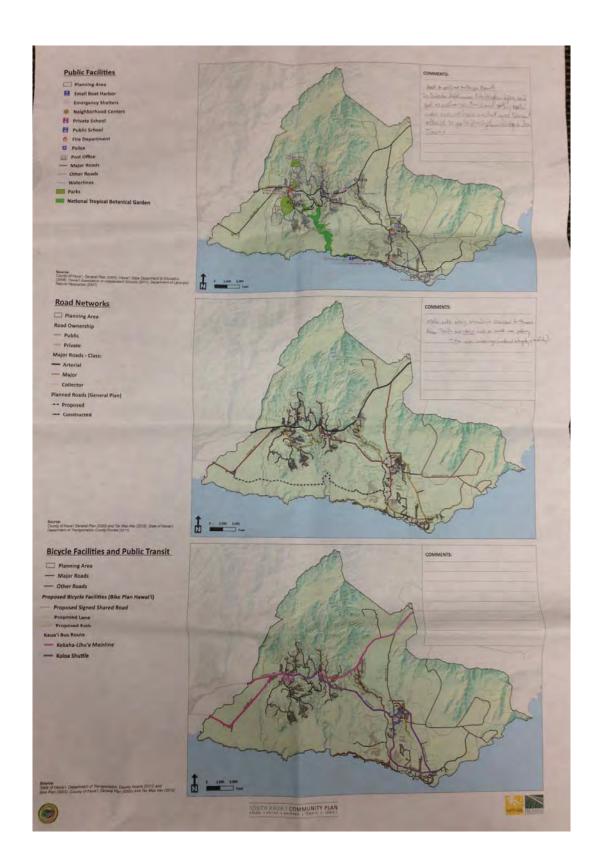

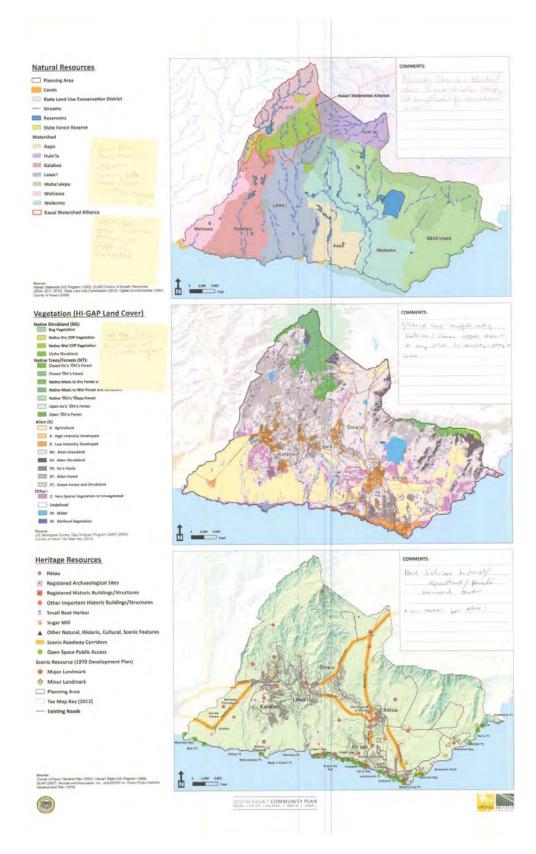

#	Provide any suggested revisions here:	Date
1	Another half baked plan Comprehensive audit is required	9/26/2013 10:29 AM
2	RURAL	9/10/2013 2:01 PM
3	Same concern with "rural' as Omao & Lawai has Koloa road passing through a large portion of it.  Traffic on Koloa Road is not "rural road" traffic and will only continue to grow until alternate route to Westside is developed and this does not appear to be available in the immediate future,	9/6/2013 7:16 PM
4	with better walking and biking paths connecting it to the rest of Kauai.	8/25/2013 3:52 PM
5	same as 5	7/26/2013 3:17 PM

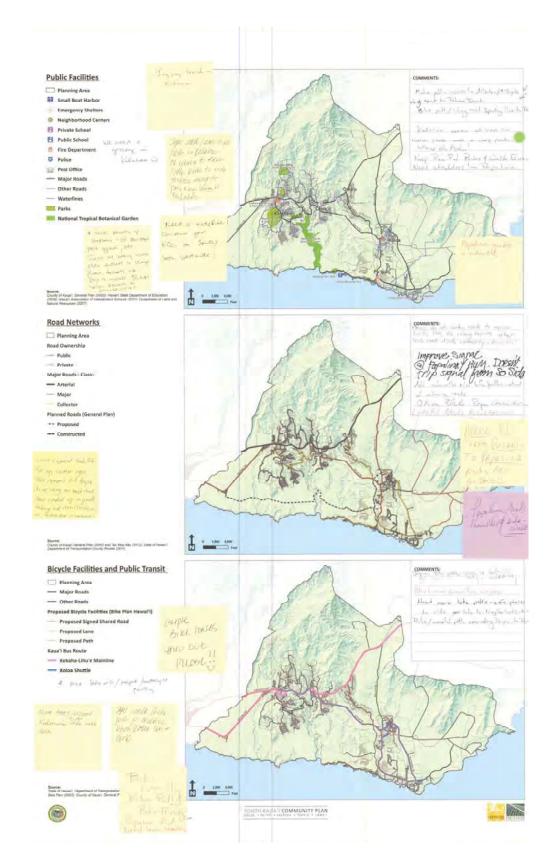

# **Map Comments**

Mapping exercises were conducted at various public meetings.

### **Image Comments**

Image boards were provided at all three public kick-off locations for input.

Write in your comments too!

Mord to repair partie has - Experient

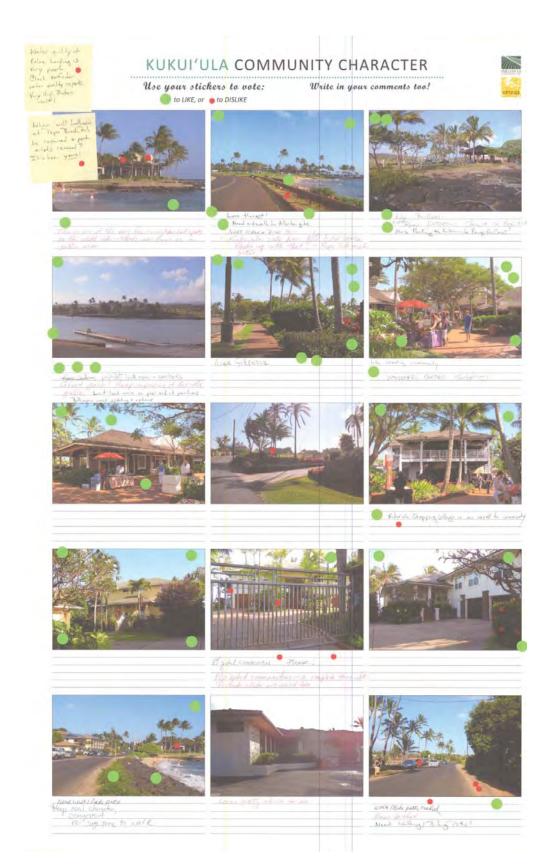

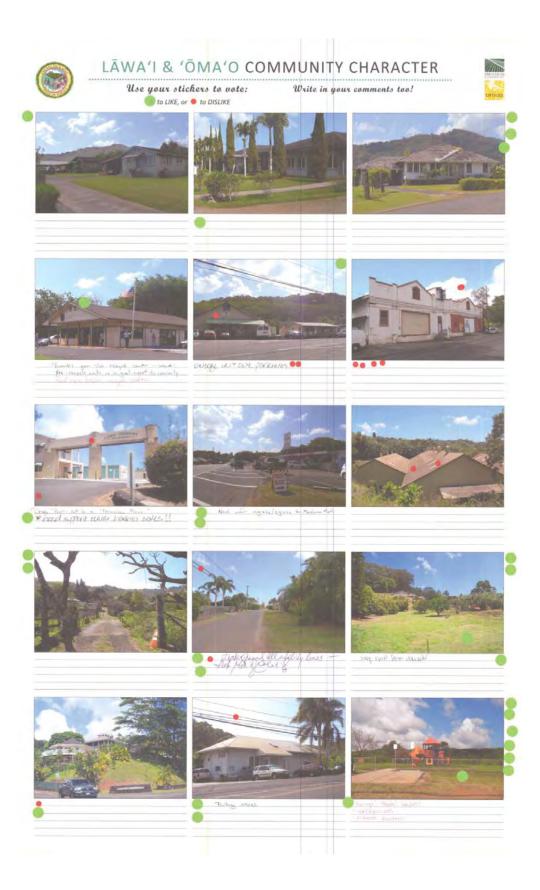

### All Comments

Comments from the wish cards, surveys, map comments, image comments, index cards, social media, and clicker polling were combined into one table for analysis. In order to organize the large volume of feedback, comments were classified by category and location and analyzed in Microsoft Excel. Summary tables can be found in the Public Input Summary Section. The tables in this section are the raw data tables, which include all of the public comments.

Occasionally, the legibility of comments became an issue. Illegible comments are indicated with a "…." For these comments, efforts were made to interpret the comment as best as possible. When comments were illegible and non-interpretable, the location and category classifications were left blank.

### Instagram Photo Campaign

The community was given another opportunity to provide input via an Instagram photo campaign. People were asked to share their photos of places in South Kaua'i using the Instagram app.

Show the world why South Kaua'i is so great by sharing photos of your community. The winning photos will be featured in the #southkauaicp and posted on facebook.

#### **OFFICIAL RULES**

Each entrant must follow @southkauaicp on Instagram and like us on Facebook (www.facebook.com/kauaiplanning). Entries must be submitted via Instagram (Instagram accounts from which submissions are made must not be private, and must be viewable to the public). In order to be eligible, your photo must be tagged with #southkauaicp and @southkauaicp. All photos must be the original work of the entrant and have the consent of all persons in your photograph to be eligible. By entering, you consent to allow the County of Kaua'i usage rights to repost the photo you submitted. Winners will be selected from all qualified entries. Winners will be contacted via comment on their Instagram accounts on the photo selected. The winning photos will be featured in the South Kauai Community Plan and posted on Facebook.

### Audience Response System

At the various public meetings, instant clicker polling or audience response systems were used to gain immediate feedback from the audience.

**Session Name:** KPK 6-8-2013 4-27 PM

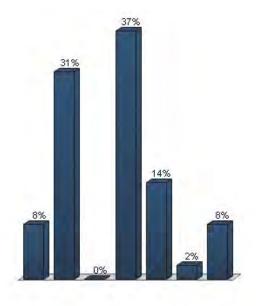

**Date Created:** 6/8/2013 3:03:11 PM **Active Participants:** 55 of 55

Average Score: 0.00% Questions: 16
