MESSAGE FROM THE MAYOR

Aloha! It gives me great pleasure to acknowledge the men and women in the Kaua'i Police Department for their ongoing dedication to protect and serve the citizens of the Garden Isle.

Their efforts to make Kaua'i safer and for everyone in the community to feel safe are greatly appreciated!

Reflecting upon the accomplishments of the police department over the past year, several notable initiatives aimed at combating crime, protecting our community, and enhancing customer service come to mind, including:

- Operation Find Waldo, which resulted in a significant reduction in the number of thefts and burglaries in the North Shore area.
- Seat belt initiative through a grant, which made it possible for officers to do car seat presentations at local pre-schools and replace outdated or recalled car seats for approximately 50 income-qualified families.
- Website facelift that included online forms for reporting suspicious activity and requests for special services e.g. school presentations and station tours. The facelift also included the launch of the missing person's web page with instructions on how the public can submit information that might help to solve missing person's cases.
- Establishment of physical readiness standards for police officer candidates to ensure their preparedness for police work.
- Operation Pill Popper, which resulted in a significant increase in the confiscation of pharmaceutical drugs.
- Enhanced training and enforcement of liquor laws, which resulted in a 28 percent increase in compliance rates.

I could certainly cite more examples, but the important thing to note is that KPD continually looks for new ways to reduce crime and keep our community safe, while focusing on solutions that produce results.

I commend each and every member of the Kaua'i Police Department for their outstanding work!

Aloha nui loa,

MESSAGE FROM THE CHIEF

Aloha,

During 2010, the Kauaʻi Police Department continues to set many ambitious goals to provide the citizens and visitors of Kauaʻi with a more efficient and effective police department.

Major goals included:

1. Filling vacancies by recruiting new police officers.
2. Begin the process of building a temporary police sub-station at the old Waimea Dispensary.
3. Begin the process of building a permanent police station for the Kawaihau District.
4. Opening of the K-PAL Youth Center.
5. Implementation of an on-line suspicious activity web-based reporting system for the public.
6. Reduction in the number of traffic collisions and fatalities.
7. Continuing our movement toward accreditation.

I am happy to report that we have either accomplished those goals, or are in the final stages of meeting them.

KPD has taken great strides in 2010 to improve both internally and externally the way in which we provide customer service. I am very proud of the employees of the Kauaʻi Police Department. Their accomplishments show the finest examples of professionalism, guided by our cultural heritage of being Pono, and living the core values of Respect, Integrity, and Professionalism, strongly committed to improving the quality of life for our citizens and visitors alike.

I would also like to thank Mayor Bernard P. Carvalho, Jr., Kauaʻi County Council, and Police Commission for their continued and unwavering support.

POWERS, DUTIES and FUNCTION

CHIEF OF POLICE

The Chief of Police plans, organizes, staffs, directs and controls the personnel and resources of the department and administers the department in a manner consistent with the Charter of the County of Kauaʻi and the laws of the State of Hawaiʻi.

The Chief of Police is responsible for the following:

- Preservation of the public peace
- Protection of rights of persons and property
- Prevention of crime
- Detection and arrest of offenders
- Enforcement of all State laws and County ordinances and all rules and regulations made pursuant thereto; and
- Service of processes and notices in criminal and civil proceedings.

The Chief is also responsible for training, equipping, maintaining, and supervising a force of police officers and necessary staff.

From time to time, the Chief of Police makes reports to the Police Commission as required. In addition, the Chief of Police submits an annual report to the Police Commission of the state of affairs and condition of the department.

CRIMINAL INTELLIGENCE UNIT

The Criminal Intelligence Unit of the Kauaʻi Police Department works directly under the Office of the Chief of Police.

The primary goal of the unit is to combat organized crime activities in the County of Kauaʻi and the State of Hawaiʻi. Such activities involve gambling, prostitution, loan sharking, illegal drug distribution, counterfeiting, extortion, and corruption of law enforcement officers and public officials. The unit also provides dignitary protection, monitors domestic and international terrorist activities, and serves as a vital support group for other bureaus within the department.

Lieutenant Henry Barriga was responsible for directing, planning, and coordinating overall activities of the unit.

Sergeant Michael Gordon (until September 2010) was tasked with overseeing field operations. Officer Christopher Calio and Officer Alan Santella assisted in these efforts.

The Criminal Intelligence Unit is part of a statewide network of officers from various police departments and law enforcement agencies throughout the State. Officers work collectively investigating, collating, and analyzing information regarding organized crime and other criminal elements. Information is disseminated amongst the various agencies and action plans are developed accordingly.

Administrative & Technical Bureau

ADMINISTRATIVE and TECHNICAL BUREAU

Acting Assistant Chief Scott Yagihara was responsible for planning, directing, and coordinating activities within the Administrative and Technical Bureau for most of 2010 until his retirement.

The primary function of the Administrative & Technical (A&T) Bureau is to provide support services to other police units, by assisting them in meeting their own departmental objectives. Sections within A&T include: Fiscal and Personnel, Records, Training, ID Tech, Research and Development, and Community Relations. Additional services are provided in Telecommunications, Automated Fingerprint Identification System (AFIS), Evidence, Firearms, and Fleet Maintenance.

FISCAL AND PERSONNEL

The fiscal section of the Administrative and Technical Bureau is staffed by Fiscal Officer Daurice Arruda, Personnel Assistant Vivian Akina, and Account Clerk Melanie Luis. The basic function of this section is to administer the department's fiscal program and the department's personnel matters.

This support section assists Administration in coordinating and developing the department's annual operational budget and provides technical support for all matters relating to accounting, purchasing, inventory, contracts, payroll and general fiscal management activities of the department. The Personnel Assistant plays a key role in assisting with the hiring process as part of an ongoing effort to fill vacancies.

Total expenditures for the year 2010 were \$23,167,485.06 compared to \$20,973,880.00 for the previous year. Salaries and salary related expenditures amounted to \$20,003,229.90 or 86% of total expenditures for the year.

The following chart depicts the department's sworn and civilian strength as of December 31, 2010.

	Authorized	Actual
Appointed	2	2
Sworn	148	129
Civilian	71	47
Temporary	4	3
TOTAL	225	181

In 2010, the Department hired nine (9) Police Services Officers, a Fiscal Officer I, two (2) temporary Background Investigators, a temporary Police Equipment Maintenance Coordinator, and three (3) part-time School Crossing Guards. In addition, a Police Officer I was reinstated.

During the year, sixteen (16) employees separated from service: six (6) retirements, six (6) resignations, three (3) terminations and an inter-departmental movement.

RESEARCH AND DEVELOPMENT

The Research and Development Section consists of a Lieutenant and two Sergeants, one of whom is in charge of Community Relations. Lieutenant Scott K. Kauai was in command of the section in 2010.

The section conducts project research, analyzes crime trends, coordinates the department's written directive system, procures uniforms and equipment, assists with department inventory, initiates and formulates contracts, coordinates physical examinations and urinalysis screening, establishes safety and health programs, obtains funding through various grants, and participates in community related service projects.

The most critical role of the section continues to be coordinating the recruitment, hiring, and background investigative screening process for both sworn and civilian employees.

Lieutenant Kaui continued to lead these efforts, implementing initiatives to improve the process. In 2010, a Physical Readiness Standardized Test for Police Services Officer candidates was implemented. Its purpose is to establish physical fitness standards since police officers' physiological capabilities and physical readiness bear directly upon their safety and effectiveness, as well as to the safety of co-workers and other citizens.

COMMUNITY RELATIONS

Community Relations Sergeant, Paul Applegate participated in many community-related service activities. Some of these activities included conducting station tours and presentations with various groups throughout the island, covering topics such as drug awareness, personal safety awareness, and school safety. Sgt. Applegate also attended numerous career and recruitment fairs.

The Annual Special Olympics/Troy Barboza Torch Run, Cop on Top, and Kaua'i United Way drive were just some of the community fundraisers the section was involved with in 2010.

The Kaua'i Police Department's webpage received a facelift in 2010. An online Suspicious Activity Report form was developed to make it easier for the community to anonymously report suspicious activities. In addition, an online Request for Services form was developed to make it easier for community groups and organizations to request services such as informational speeches by Police Officers, Keiki ID or station tours of the Kaua'i Police Department.

POLICE EXPLORER PROGRAM

In 2010, the Police Explorer Program was led by Officer Darla Abbatiello. The Explorer's Program is designed for career-oriented young adults aged 14 through 20. Members are referred to as "Explorer" and, while the program is part of the Boy Scouts of America, the Explorer program is *instinctively* different from scouting. Explorer is a co-educational, young-adult program developed and supervised by local community organizations, businesses and individuals providing an opportunity for young adults to explore a particular career field. The Kaua'i Police Explorer Post is sponsored by the Kaua'i Rural Development Project, the Kaua'i Police Department & the Kaua'i Community College.

This program is designed to educate and involve young men and women in police operations and to interest them in law enforcement functions whether they enter the law enforcement field or not.

As an Explorer, young adults have the opportunity to assist the Kaua'i Police Department by assisting officers with traffic control and security at community events, participating in law enforcement training sessions and community-relations activities. Through these activities, Explorers broaden their understanding and firsthand knowledge of the challenges and job skills that make up their community's police service. In addition to gaining a working knowledge of police work, the participants have the opportunity to give of themselves to their community. There were five Explorers in the program in 2010.

POLICE FLEET AND EQUIPMENT MAINTENANCE

Mr. Michael Layosa returned to the Kauai Police Department after retiring in 2009, and served as the temporary Police Fleet and Equipment Maintenance Coordinator. He was responsible for the Police Fleet Maintenance budget and expenditures and coordinated all repairs and maintenance for the department's vehicles and equipment.

Mr. Layosa continued to utilize an in-depth service plan to ensure all police vehicles are running safely and efficiently. He received work discrepancies of the police fleet and equipment and coordinated the repairs with the County Maintenance Base Yard in Lihue. He also worked closely with private auto service outlets on more extensive vehicle and equipment repairs. He was also responsible for generating requisitions for parts, supplies, and all repairs that were needed.

The Fleet Maintenance Coordinator maintains a total of 170 vehicles in his fleet, 120 marked vehicles and 50 unmarked vehicles. In addition to fleet responsibilities, Mr. Layosa operates and maintains other types of department equipment, including the Mobile Incident Command Center vehicle, forklift, emergency generators, light generators, off road emergency vehicles, and various types of trailers to transport, and house emergency equipment including signage road light trailers for the Traffic safety Unit.

Investigative Services Bureau

INVESTIGATIVE SERVICES BUREAU

Assistant Chief Roy Asher is the Commander of the Investigative Services Bureau. The bureau is comprised of experienced and seasoned veterans who have received advanced and specialized training in various disciplines. They are tasked to investigate the whole gamut of cases, from a simple misdemeanor case to the most serious and complex felony case, both self-initiated and as follow-up on cases referred by the Patrol Services Bureau. In addition, detectives investigate cases of a non-criminal nature, such as unattended deaths, in order to determine that no foul play was involved. The bureau is divided into three primary Sections: Special Focus Section, General Crimes Section, and Vice Section.

The Special Focus Section includes white collar investigations, computer crime investigations, status offenses, missing persons, domestic violence cases, and the School Relations Officers Program, which includes the DARE Program. The General Crimes Section includes all other cases, primarily consisting of crimes against persons and property crimes. The Vice Section deals with all drug and narcotic investigations, and includes a canine unit.

Support personnel include the bureau's two support Clerks. The Bureau also oversees the Crisis Negotiations Team and the Special Services Team.

GENERAL CRIMES SECTION

The General Crimes Section is under the command of Lieutenant Dan Fort. The section currently has an allotment of nine detectives, who primarily investigate all crimes against persons and property which are committed by or against both adults and juveniles.

SPECIAL FOCUS SECTION

The Special Focus Section is under the command of Acting Lieutenant Randy Chong Tim. The section currently employs 2 detectives who are responsible for the investigations of White Collar crimes, Computer Crimes, Domestic Violence cases, Missing Persons cases, and Juvenile Status offenses.

Gina Kaulukukui is the Domestic Violence Intervention Coordinator who handles the Domestic Violence Cases. Claire Ueno handles Missing Persons

cases and also serves as the Juvenile counselor handling status offenses.

SCHOOL RESOURCE OFFICERS

The School Resource Officers (SRO), under the supervision of Sergeant Kenneth Carvalho, handles offenses and any incidents within the schools, as well as teaches the DARE Program to 5th graders. The SRO unit also spearheads the department's Juvenile Alcohol and Tobacco interdiction efforts through the implementation of two grants, and they conduct periodic projects to curb crimes against visitors.

YOUTH SERVICES SECTION- JUVENILE COUNSELOR

Ms. Claire Ueno continues to make a positive impact in the community as the department's juvenile counselor. She serves as the overall coordinator for status offenses, which includes runaway, curfew, truancy and persons in need of supervision (P.I.N.S.).

"Teen Court" is another important program overseen by Ms. Ueno. Since its inception eight years ago, it has evolved into a viable Family Court alternative and diversion from the Juvenile Justice System for first time youth offenders.

Ms. Ueno is also involved with the Maile-Amber Alert response unit, and is the coordinator of missing persons cases.

DOMESTIC VIOLENCE INTERVENTION COORDINATOR (DVIC)

Gina Kaulukukui serves as the department's Domestic Violence Intervention Coordinator (DVIC). Her primary area of responsibility is as a special case manager for all incidents of family, child and elder abuse, as well as protective order and temporary restraining order violations.

Her duties include screening family violence cases and working closely with the victims to initiate and facilitate services and avenues of support. She works closely with community resources to collaborate and strengthen services for the victims.

VICE SECTION

This Section is responsible for investigating and enforcing all laws relating to illegal drug activity. The Narcotics/Vice Unit is under the command of Lieutenant Eric Shibuya, and is comprised of 15 positions (one Lieutenant, two Sergeants, and twelve Officers/Investigators).

Crystal meth-amphetamine or “ice” continued as a primary focal point for the unit. Marijuana eradication projects, also known as “Green Harvest” operations, continued to have a strong impact on the illegal cultivation of marijuana. Utilizing helicopters and employing rappelling techniques, officers worked throughout the year with federal and state agencies in a concerted effort to curtail illegal growing efforts on Kaua’i and the other islands.

COMMUNICATIONS/DISPATCH

The Kaua'i Police Department Communications Center has 1 Dispatch Supervisor, 20 Full Time Dispatchers, 17 are County Positions and 3 are State Funded.

The Communications Section of the Kaua'i Police Department is where it all begins. Every call for service whether it be a 911 call or a non emergency call comes through the Communications Section for service. The Kaua'i Police Department's Communications Center is responsible for dispatching the entire County of Kaua'i, Police, Fire and Medics as well as other County Agencies after Hours.

Dispatchers go through 5 weeks of Classroom Training which includes 3 days of EMD (Emergency Medical Dispatch Training) upon completion the Dispatcher becomes certified in CPR. They also receive 8 weeks of on-the-job training with a DTO (Dispatch Training Officer).

The Communications Center is responsible for warrants and wanted persons checks via NCIC and is certified every two years. Dispatchers hold a great deal of responsibility. They are the life link for every agency and person who they dispatch. In addition to all their duties, the dispatchers are also Emergency Medical Dispatch (EMD) certified. That means that they have the ability to give life saving instructions to the callers on the phone. Many lives have been saved because of the skill and abilities of the dispatchers. They are the First Responders. The Communications Center answers all 911 lines in the County of Kaua'i.

They deal with many different types of calls – some serious emergencies, others informational only. There is nothing that will throw a dispatcher into top gear faster than a screaming mom on the other end of the line saying her baby is not breathing, or a distraught wife who has found her husband unconscious. Every call that comes into the center is answered in a professional and skilled manner.

Every April of each year, during National Telecommunications Week, the Dispatchers are recognized for the unending work that they perform on a daily basis for the public.

Although the event is a collaborative effort with many people contributing, Lt. Scribner spearheaded and lead it to success. This type of proactive education has and will continue to make a positive difference in many lives. During the assembly and mock crash, many students, teachers and parents were touched and affected by the event. This will leave a lasting impression on many.

2010 OUTSTANDING CIVILIAN

MIKE L. LANE

Senior Clerk
Patrol Services Bureau

Senior Clerk Michael Lane has been with the Kaula'i Police Department for three years. Mike is assigned to the Patrol Services Bureau, in the Lihu'e District, which is the busiest police station on the island of Kaula'i.

What is most impressive about Mike is his positive attitude. He has a "can do" attitude which is instantly recognizable and consistent.

His assignment as the Senior Clerk in the Lihu'e district is demanding. He compiles documents from all the other districts on the island for distribution and is the first person people see when walking into the Patrol Services Bureau for assistance. Mike constantly deals with questions and phone calls from those in need of service and professionally and politely directs them to the proper resources to assist them. There have been many individuals who were "less than polite" with Mike; however with an unwavering commitment to professionalism, Mike has directed them to the help they require.

Mike projects and embraces the values of respect, integrity and professionalism when interacting with members of the community, co-workers and supervisors. Mike is very conscientious about minimizing waste and on his own initiative, began recycling and reusing office supplies in an effort to conserve funds.

Mike was a voluntary member of the Kaula'i Police Department's Relief Association, a non-profit organization created to assist members of the police department in times of need. Mike volunteered his time and was instrumental in fund raising and coordinating activities.

Due to staffing/shortage, Mike does the job of two clerks, and not only handles the duties assigned to him as a Senior Clerk, but also that of the off-duty clerk when the position is vacant. Whenever a new person fills the off-duty clerk position, Mike patiently provides mentorship and training for the employee.

Mike is always willing to help others, regardless of their position or title. He is truly a dedicated, hard working employee who strives to make a difference for the department and the community on a daily basis.
