# MESSAGE FROM THE MAYOR

Aloha! It is with great pleasure that I recognize the men and woman of the Kaua'i Police Department in their ongoing commitment to making Kaua'i a better, safer place to live and visit.

The people of Kaua'i are fortunate to have a police department that goes beyond law enforcement, and focuses on prevention, community service, educational outreach and charity work, including:

- More than doubling the amount of search warrants initiated from the previous year, leading to the recovery of countless illegal firearms, drugs, drug paraphernalia, stolen money and goods.
- Continuing advanced training opportunities, including hosting the FBI National Academy for a workshop tailored to senior law enforcement.
- Creation of the Fugitive Apprehension Strike Team, with the specific goal of capturing wanted individuals.
- Expanding the courses and opportunities offered to Kaua'i's youth through the Kaua'i Police Activities League.
- Increasing traffic enforcement efforts, which has led to the most number of traffic citations and fewest traffic fatalities on Kaua'i in recent history.

Our officers are truly public servants and I commend their dedication and commitment to serving our community and bettering the Kaua'i Police Department.

Bernard P. Carvalho, Jr.  
Mayor, County of Kaua'i

# POWERS, DUTIES and FUNCTIONS

## CHIEF OF POLICE

---

The Chief of Police plans, organizes, staffs, directs and controls the personnel and resources of the department and administers the department in a manner consistent with the Charter of the County of Kauaʻi and the laws of the State of Hawaiʻi.

The Chief of Police is responsible for the following:

- Preservation of the public peace
- Protection of rights of persons and property
- Prevention of crime
- Detection and arrest of offenders
- Enforcement of all State laws and County ordinances and all rules and regulations made pursuant thereto; and
- Service of processes and notices in criminal and civil proceedings.

The Chief is also responsible for training, equipping, maintaining, and supervising a force of police officers and necessary staff.

From time to time, the Chief of Police makes reports to the Police Commission as required. In addition, the Chief of Police submits an annual report to the Police Commission of the state of affairs and condition of the department.

## CRIMINAL INTELLIGENCE UNIT

---

The Criminal Intelligence Unit of the Kauaʻi Police Department works directly under the Office of the Chief of Police.

The primary goal of the unit is to gather raw data related to organized crime activities in the County of Kauai and the State of Hawaii. Such activities involve gambling, prostitution, loan sharking, illegal drug distribution, counterfeiting, extortion, and corruption of law enforcement officers and public officials. The Unit then takes the raw data and creates an actionable intelligence product and disseminates the intelligence product to respected bureaus for further investigation. The unit also provides dignitary protection, monitors domestic and international terrorist activities and serves as a vital support group for other bureaus within the department.

Lieutenant Paul Applegate was responsible for directing, planning, and coordinating overall activities of the unit. Sergeant Christopher Calio and Officer Alan Santella were tasked with overseeing field operations.

The Criminal Intelligence Unit is part of a statewide network of officers from various police departments and law enforcement agencies. Officers work collectively investigating, collating, and analyzing information regarding organized crime and other criminal elements.

# Administrative & Technical Bureau

# ADMINISTRATIVE and TECHNICAL BUREAU

Acting Assistant Chief Sherwin Perez was responsible for planning, directing, and coordinating activities within the Administrative and Technical Bureau for 2012.

The primary function of the Administrative & Technical (A&T) Bureau is to provide support services to other police units, by assisting them in meeting their own departmental objectives. Sections within A&T include: Fiscal and Personnel, Records, Training, ID Tech, Research and Development, and Community Relations. Additional services are provided in Telecommunications, Automated Fingerprint Identification System (AFIS), Evidence, Firearms, and Fleet Maintenance.

## FISCAL AND PERSONNEL

The fiscal section of the Administrative and Technical Bureau is staffed by Fiscal Officer Daurice Arruda, Personnel Assistant Vivian Akina, and Account Clerks Mona Mae Caldeira and Brittany Kauai. The basic function of this section is to administer the department's fiscal program and the department's personnel matters.

This support section assists Administration in coordinating and developing the department's annual operational budget and provides technical support for all matters relating to accounting, purchasing, inventory, contracts, payroll and general fiscal management activities of the department. The Personnel Assistant plays a key role in assisting with the hiring process as part of an ongoing effort to fill vacancies.

Total expenditures for the year 2012 were \$25,801,328.42 compared to \$23,167,485.060 for the previous year. Salaries and salary related expenditures amounted to \$20,684,109.32 or 80% of total expenditures for the year.

The following chart depicts the department's sworn and civilian strength as of December 31, 2012.

	Authorized	Actual
<b>Appointed</b>	2	2
<b>Sworn</b>	148	124
<b>Civilian</b>	71	58
<b>Temporary</b>	4	1
<b>TOTAL</b>	225	185

In 2012, the Department hired five (5) Public Safety Workers, four (4) Radio Dispatchers, an Account Clerk, a Personnel Clerk, two (2) temporary Background Investigators, a temporary Police Equipment Maintenance Coordinator, and three (3) part-time School Crossing Guards. In addition, two (2) Student Interns were contracted for one month.

During the year, fifteen (15) employees separated from service: five (5) retirements, five (5) resignations, five (5)

appointment terminations and an inter-departmental movement.

## RESEARCH AND DEVELOPMENT

---

The Research and Development Section consists of a Lieutenant and two Sergeants, one of whom is in charge of Community Relations. Lieutenant Robert Gausepohl was in command of the section in 2012.

The section is responsible for procuring uniforms and equipment, assisting with department inventory, initiating and formulating contracts, coordinating physical examinations and urinalysis screening, establishing safety and health programs, obtaining funding through various grants, and participating in various community related service projects. In addition, the section also conducts project research, analyzes crime trends, and coordinates the department's written directive system.

The most critical role of the section continues to be the recruitment, hiring, and background investigations for both sworn and civilian employees. In 2011, several efforts were made to streamline and enhance the hiring process.

In 2012, the Physical Readiness Standardized Test (PRST) for Police Services Officer candidates continued after being initially introduced in 2011. Its purpose was to establish physical fitness standards since police officers' physiological capabilities and physical readiness bear directly upon their safety and effectiveness, as well as to the safety of co-workers and other citizens.

A recruitment incentive for School Crossing Guards was put into place in 2012. The incentive provides for a

reimbursement of the cost of the pre-employment physical examination, as physicals are not normally covered by health insurance. Additionally, the department received approval to allow School Crossing Guards to work up to 19 hours per week (as opposed to a limit of 10 hours per week), on an as-needed basis, at the Principal's discretion.

The Research and Development section continues to explore ways to streamline and enhance the recruitment/hiring process, as we continue our goal of attracting and retaining the most qualified and best-suited applicants for the department.

## COMMUNITY RELATIONS

---

Community Relations Sergeant, Roderick Green participated in many community-related service activities.

Some of these activities included conducting station tours and presentations with various groups throughout the island, covering topics such as drug awareness, personal safety awareness, school safety and shop with a cop. Sgt. Green also attended numerous career and recruitment fairs.

The Annual Special Olympics/Troy Barboza Torch Run, Cop on Top, and Kaua'i United Way drive were just some of the community fundraisers the section was involved with in 2012.

### **POLICE EXPLORERS**

This program is designed to educate and involve young men and women in police operations and to interest them in law enforcement functions whether they enter the law enforcement field or not.

### **RECORDS, EVIDENCE, FIREARMS, CIVIL FINGERPRINTING, AFIS SECTION, LEGAL DOCUMENTS, STATISTICS & SEX OFFENDER REGISTRY**

Acting Records Supervisor Eunice M. Apeles served as the overall supervisor for the department's Records Section,

which includes Firearms Registration, AFIS, and Evidence. This section was staffed by Joni Y. Arakaki (Police Records Analyst), Allison K. Ageno (Police Report Reviewer), Kristal V. Nebre (Acting Evidence Custodian), Mikalynn M. Hiranaka (Police Records Clerk), Clyde J. Letreta (Senior Clerk AFIS), Taytralyn J.N. Nuivo (Police Warrants Clerk), Jeaneth M. Panoy (Weapons Registration Clerk), Nancy A. Zoder, (FBR/RMS Support Clerk)

One of the primary responsibilities of this section is maintaining records and services consistent with the Uniform Crime Reporting Standards, Federal, State, and County laws, as well as departmental rules, regulations and policies.

Overall, the section is responsible for the following processes: Legal documents (warrants, subpoenas, summons, and TRO's), firearms registration and permits, evidence receiving and storage, civil employment fingerprinting services, insurance requests, report duplication, police and criminal record checks, for criminal conviction and sex offender registry inquiries, expungement orders, National Crime Information Center (NCIC) records management system data entry & maintenance, maintaining individual arrest records and all police reports filed with the department.

Another important responsibility of this section is ensuring evidence items are accounted for from initial receipt to final disposition, including maintaining proper chain of custody procedures when items are sent for testing or used during trial.

Scott Yamaguchi, who is the Automated Fingerprint Identification System (AFIS) Computer Specialist, helps identify suspects from latent fingerprints recovered at crime scenes. First-time and repeat offenders are processed and maintained in a statewide AFIS database.

Audrey Silva continued to serve as the department's Police Records Analyst in charge of the Uniform Crime Reporting System. She also serves as the department's primary administrator for the NCIC database and is involved with the operational and administrative audits for these systems.

# Investigative Services Bureau

# INVESTIGATIVE SERVICES BUREAU

Assistant Chief Roy Asher is the Commander of the Investigative Services Bureau. The bureau is comprised of experienced and seasoned veterans who have received advanced and specialized training in various disciplines. They are tasked to investigate the whole gamut of cases, from a simple misdemeanor case to the most serious and complex felony case, both self-initiated and as follow-up on cases referred by the Patrol Services Bureau. In addition, detectives investigate cases of a non-criminal nature, such as unattended deaths, in order to determine that no foul play was involved. The Bureau conducts outreach training or presentations. This includes, but not limited to, drug and gang awareness resistance education, theft and burglary prevention, and victimization. The bureau is divided into three primary Sections: Special Focus Section, General Crimes Section, and Vice Section.

The Special Focus Section includes white collar investigations, computer crime investigations, status offenses, missing persons, domestic violence cases, and the School Relations Officers Program, which includes the DARE Program. The General Crimes Section includes all

crimes against persons and property crimes. The Vice Section deals with all drug and narcotic investigations, and includes a canine unit.

Support personnel include the bureau's two support Clerks. The Bureau also oversees the Crisis Negotiations Team and the Special Services Team.

## **GENERAL CRIMES SECTION**

## **SCHOOL RESOURCE OFFICERS**

## **YOUTH SERVICES SECTION- JUVENILE COUNSELOR**

Ms. Claire Ueno continues to make a positive impact in the community as the department's juvenile counselor. She serves as the overall coordinator for status offenses, which includes runaway, curfew, truancy and persons in need of supervision (P.I.N.S.)

"Teen Court" is another important program overseen by Ms. Ueno. Since its inception eight years ago, it has evolved into a viable Family Court alternative and diversion from the Juvenile Justice System for first time youth offenders.

Ms. Ueno is also involved with the Maile-Amber Alert response unit, and is the coordinator of missing person cases.

# Patrol Services Bureau

# PATROL SERVICES BUREAU

In terms of manpower, patrol is the largest of the three bureaus, with nearly two-thirds of the department’s sworn personnel comprising its ranks.

Assistant Chief Alejandro Quibilan was in command of the bureau with Acting Captain Richard Rosa assisting in an operational capacity until his retirement. Sergeant Anthony Morita, was the Acting Patrol Administrative Lieutenant who is in charge of Communications and the Detention Center/Holding Facility.

The Lihue District is the hub and main business & commercial district on the island. It encompasses the central, heavily populated region of Kaua`i, extending from Kapaa Town to the "Knudsen Gap" near Koloa. The larger population and higher concentration of businesses, government offices, transportation and special event venues typically equates to a greater caseload for Lihue officers.

The district continues to serve as a training ground for newly graduated recruits, who along with their Field Training Officers will be routinely assigned to the Lihue District sectors for increased case exposure.

Special Projects and Community events for the year included:

## **COMMUNICATIONS/DISPATCH**

The Kaua'i Police Department Communications Center has 1 Dispatch Supervisor, 20 Full Time Dispatchers, 17 are County Positions and 3 are State Funded.

The Communications Section of the Kaua'i Police Department is where it all begins. Every call for service whether it be a 911 call or a non-emergency call comes through the Communications Section for service. The Kaua'i Police Department's Communications Center is responsible for dispatching the entire County of Kaua'i, Police, Fire and Medics as well as other County Agencies after Hours.

Dispatchers go through 5 weeks of Classroom Training which includes 3 days of EMD (Emergency Medical Dispatch Training) upon completion the Dispatcher becomes certified in CPR. They also receive 8 weeks of on-the-job training with a DTO (Dispatch Training Officer).

The Communications Center is responsible for warrants and wanted persons checks via NCIC and is certified every two years.

Dispatchers hold a great deal of responsibility. They are the life link for every agency and person who they dispatch. In addition to all their duties, the dispatchers are also Emergency Medical Dispatch (EMD) certified. That means that they have the ability to give lifesaving instructions to the callers on the phone. Many lives have been saved because of the skill and abilities of the dispatchers. They are the First Responders. The Communications Center answers all 911 lines in the County of Kaua'i.

They deal with many different types of calls – some serious emergencies, others informational only. There is nothing that will throw a dispatcher into top gear faster than a screaming mom on the other end of the line saying her baby is not breathing, or a distraught wife who has found her husband unconscious. Every call that comes into the center is answered in a professional and skilled manner.

Every April of each year, during National Telecommunications Week, the Dispatchers are recognized for the unending work that they perform on a daily basis for the public.
